MEDICARE MADE EASY

The City of Dardenne Prairie has partnered with Denny & Associates to take the confusion out of Medicare

We're pleased to offer a free Medicare Assistance Program available to our valued employees and their loved ones.

Is Medicare eligibility in your near future? Are you, or someone you know, newly eligible for Medicare or already enrolled but have questions? Are others looking to you for Medicare advice? Would you like a review of your current plan to make certain it is still your best option?

Medicare can be confusing. Evaluating your options is very stressful and time consuming. A licensed insurance consultant at Denny & Associates, Inc. can help make sense of Medicare and will assist in finding a plan that best suits your needs.

Denny & Associates, Inc. provides free, unbiased, expert assistance in navigating the confusing world of Medicare:

- Assistance in choosing a plan that best fits your needs
- Working in all areas of Medicare; including
 - Supplements
 - Part D
 - Part C/Advantage Plans
- No more wondering if you're getting the right plan for the right price
- Contracted with major insurance companies in the area
- We are an independent agency that works for YOU... NOT the insurance company
- Our top priority is your satisfaction
