Administered by Allied: 888-306-0905

The Member Advocacy Team is here to help you:

- Answer questions about billing
- Understand your Explanation of Benefits (EOB)
- Work with your provider on claims
- Find providers

Remember, this plan doesn't use a network so you can see any provider!*

- Simply present your ID card to the provider
- If your provider has questions, just have them call the Customer Service number on the back of the ID card
- The Member Advocacy Team will help. It's that easy

Health care and its benefits can be complicated. We know it's important to make the right health care choices for your family.

We're here to help.

* Pharmacy benefits and transplants still rely on the use of network providers

The Allstate Benefits Self-Funded Program provides tools for employers owning small to mid-sized businesses to establish a self-funded health benefit plan for their employees. The benefit plan is established by the employer and is not an insurance product. For employers in the Allstate Benefits Self-Funded Program, stop-loss insurance is underwritten by: Integon National Insurance Company in CT, NY and VT; Integon Indemnity Corporation in FL; and National Health Insurance Company in all other states where offered.
