DENTAL CERTIFICATE OF COVERAGE

Welcome to Anthem Blue Cross and Blue Shield ("Anthem")! This Dental Certificate of Coverage (hereinafter "Certificate") has been prepared by Anthem to help explain your dental care benefits. Please refer to this Certificate whenever you require Dental Services. It describes how to access dental care, what Dental Services are covered by Us, and what portion of the dental care costs you will be required to pay.

The coverage described in this Certificate is subject in every respect to the provisions of the Group Dental Contract issued to your Group. The Group Dental Contract and this Certificate and any amendments or riders attached to the same, shall constitute the Group Dental Contract under which Covered Services are provided by Us.

This Certificate should be read in its entirety. Since many of the provisions of this Certificate are interrelated, you should read the entire Certificate to get a full understanding of your coverage.

Many words used in the Certificate have special meanings. These words appear in capitals and are defined for you. Refer to these definitions in the Definitions section for the best understanding of what is being stated. The Certificate also contains exclusions.

This Certificate supersedes and replaces any Certificate previously issued to you under the provisions of the Group Dental Contract.

Read your Certificate Carefully. The Certificate sets forth many of the rights and obligations between you and the Plan. Payment of benefits is subject to the provisions, limitations and exclusions of your Certificate. It is therefore important that you read your Certificate.

MAXIMUM CARRY OVER FEATURE

This Certificate has a Maximum Carryover Provision that allows unused benefit dollars in one Coverage Year to be carried over into the next Coverage Year. The Maximum Carryover Provision only applies to benefits subject to the Coverage Year Maximum. Orthodontic Lifetime Maximums are not part of this provision and Carryover Accounts will not be used to increase the Lifetime Maximum specified in this Certificate. This provision is subject to all terms, limitations, and exclusions stated in this Certificate.

Maximum Non-Participating Carryover Amount Per Member Per Coverage Year up to	\$250.00
Additional Maximum Participating Provider Carryover Amount Per Coverage Year up to	\$125.00
Maximum Carryover Account	\$1,000.00

After a Member has been enrolled under this Certificate for an entire Coverage Year, the Coverage Year Maximum listed in the "Summary of Benefits" may be increased up to \$375.00 if all of the following requirements are met:

1. The Member must be enrolled under this Certificate for the full Coverage Year; and
2. The Member must have submitted at least one claim for a Covered Service during the Coverage Year; and
3. In order to receive the Maximum Participating Provider Carryover Amount all claims submitted within the Coverage Year must have been performed by a Participating Provider; and
4. The total amount paid by Us and applied to your Coverage Year Maximum during the Coverage Year must not exceed \$500.00.

At the end of each Coverage Year, any dollar amounts available through this provision will be recorded in a separate Carryover Account. Each Member will have a separate Carryover Account. For each Coverage Year that a Member meets the requirements listed above, up to \$250.00 may be added to their Carryover Account. An additional \$125.00 may be added to their Carryover Account if they obtained services only from a Participating Provider. These amounts may be added to their Carryover Account until their Carryover Account reaches a maximum account balance of \$1,000.00. Once the Carryover Account has reached \$1,000.00, no further amounts will accumulate toward the Member's Carryover Account until the Carryover Account balance falls below the \$1,000.00 maximum amount. Carryover Accounts will be utilized to pay covered benefits only after the Coverage Year Maximum is fully exhausted.

If coverage is terminated for any reason, the entire balance in your Carryover Account will be reduced to zero on the effective date of your termination from this Certificate.

ELIGIBILITY AND ENROLLMENT

You have coverage provided under this Certificate because of your employment with the Group. You must satisfy certain requirements to participate in the Group's benefit plan. These requirements may include probationary or waiting periods and Actively At Work standards as determined by the Group or state and/or federal law and approved by Us.

Your Eligibility requirements are described in general terms below. For more specific eligibility information, see your Human Resources or Benefits Department.

Eligibility

The following eligibility rules apply unless you are notified by Us and the Group.

Subscriber

To be eligible to enroll as a Subscriber, an individual must:

- Be either: an employee, member, or retiree of the Group;
- Be entitled to participate in the benefit plan arranged by the Group;
- Have satisfied any probationary or waiting period established by the Group and be Actively At Work;
- Meet the eligibility criteria stated in the Group Contract.

Dependents

To be eligible to enroll as a Dependent, you must be listed on the enrollment form completed by the Subscriber, meet all Dependent eligibility criteria established by the Group and be:

- The Subscriber's spouse. For information on spousal eligibility please contact the Group.
- The Subscriber's or the Subscriber's spouse's children, including natural children, stepchildren, newborn and legally adopted children and children who the Group has determined are covered under a "Qualified Medical Child Support Order" as defined by ERISA or any applicable state law.
- Children for whom the Subscriber or the Subscriber's spouse is a legal guardian or as otherwise required by law.

All enrolled eligible children will continue to be covered until the age limit listed in the Summary of Benefits.

Eligibility will be continued past the age limit for those already enrolled unmarried Dependents who cannot work to support themselves due to physical or mental handicap. The Dependent's disability must start before the end of the period they would become ineligible for coverage. The Plan must certify the Dependent's eligibility. The Plan must be informed of the Dependent's eligibility for continuation of coverage within 31 days after the Dependent would normally become ineligible. Subsequent proof of the child's disability and dependency must be provided upon Our request. Proof may be required at reasonable intervals during the first two years after the child reaches the Dependent age limit, and no more frequently than once each year thereafter. You must notify Us if the Dependent's marital status changes and they are no longer eligible for continued coverage.

The Plan may require the Subscriber to submit proof of continued eligibility for any enrolled child. Your failure to provide this information could result in termination of a child's coverage.

To obtain coverage for children, We may require that the Subscriber complete a "Dependency Affidavit" and provide Us with a copy of any legal documents awarding guardianship of such child(ren) to the Subscriber. Temporary custody is not sufficient to establish eligibility under this Certificate.

Coverage Effective Dates and enrollment requirements are described in the Group Contract.

Enrollment

Initial Enrollment

An Eligible Person can enroll for Single or Family Coverage by submitting an application to the Plan. The application must be received by the date stated on the Group Contract or the Plan's underwriting rules for initial application for enrollment. If We do not receive the initial application by this date, the Eligible Person can only enroll for coverage during the Open Enrollment period or during a Special Enrollment period, whichever is applicable.

If a person qualifies as a Dependent but does not enroll when the Eligible Person first applies for enrollment, the Dependent can only enroll for coverage during the Open Enrollment period or during a Special Enrollment period, whichever is applicable.

It is important for you to know which family members are eligible to apply for benefits under Family Coverage. See the section on Eligible Dependents.

Continuous Coverage

If you were covered by the Group's prior carrier or plan immediately prior to the Group's enrollment with Us, with no break in coverage, then you will receive credit for any accrued Deductible and, if applicable and approved by Us, Out-of-Pocket amounts under that other plan. This does not apply to persons who were not covered by the prior carrier or plan on the day before the Group's coverage with Us began, or to persons who join the Group later.

If your Group moves from one of Our plans to another, (for example, changes its coverage from HMO to PPO), and you were covered by the other product immediately prior to enrolling in this product with no break in coverage, then you may receive credit for any accrued Deductible and Out-of-Pocket amounts, if applicable and approved by Us. Any maximums, when applicable, will be carried over and charged against the maximums under this Certificate.

If your Group offers more than one of Our products, and you change from one of those products to another with no break in coverage, you will receive credit for any accrued Deductible and, if applicable, Out-of-Pocket amounts and any maximums will be carried over and charged against the maximums.

If your Group offers coverage through other products or carriers in addition to Our coverage, and you change products or carriers to enroll in this product with no break in coverage, you will receive credit for any accrued Deductible, Out-of-Pocket, and any maximums.

This Section Does Not Apply To You If:

- you change from one of Our individual policies to one of Our group plans;
- you change employers and both have Our coverage; or
- you are a new Member of the Group who joins the Group after the Group's initial enrollment with Us.

Newborn and Adopted Child Coverage

If the Subscriber's coverage includes coverage for a spouse and/or other dependents, the newborn children of the Subscriber or the Subscriber's spouse will be covered for an initial period of 31 days from the date of birth. Coverage for newborns will continue beyond the 31 days only if the Subscriber submits through the Group, or the Plan, a request to add the child under the Subscriber's Certificate. The request must be submitted within 31 days after the birth of the child or within 10 days after We provide the form, whichever is later. Failure to notify the Plan during this period will result in no coverage for the newborn beyond the first 31 days, except as permitted for a Late Enrollee.

A child will be considered adopted from the earlier of: (1) the moment of placement in your home; or (2) the date of an entry of an order granting custody of the child to you. The child will continue to be considered adopted unless the child is removed from your home prior to issuance of a legal decree of adoption.

Adding a Child due to Award of Legal Custody or Guardianship

If a Subscriber or the Subscriber's spouse is awarded legal custody or guardianship for a child, an application must be submitted within 31 days of the date legal custody or guardianship is awarded by the court. Coverage would start on the date the court granted legal custody or guardianship.

Qualified Medical Child Support Order

If you are required by a qualified medical child support order or court order, as defined by ERISA and/or applicable state or federal law, to enroll your child under this Certificate, We will permit your child to enroll at any time without regard to any Open Enrollment limits and shall provide the benefits of this Certificate in accordance with the applicable requirements of such order. A child's coverage under this provision will not extend beyond any Dependent Age Limit listed in the Schedule of Benefits. Any claims payable under this Certificate will be paid, at Our discretion, to the child or the child's custodial parent or legal guardian, for any expenses paid by the child, custodial parent, or legal guardian. We will make information available to the child, custodial parent, or legal guardian on how to obtain benefits and submit claims to Us directly.

Special Enrollment/Special Enrollees

If you are declining enrollment for yourself or your Dependents (including your spouse) because of other health insurance coverage, you may in the future be able to enroll yourself or your Dependents in this Plan, if you or your Dependents lose eligibility for that other coverage (or if the employer stops contributing towards your or your Dependents' other coverage). However, you must request enrollment within 31 days after your other coverage ends (or within 60 days after Medicaid coverage ends) after your or your Dependents' other coverage ends (or after the employer stops contributing toward the other coverage). In addition, if you have a new Dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your Dependents in the Plan, provided that you request enrollment within 31 days after the marriage, birth, adoption, or placement for adoption.

If We receive an application to add your Dependent or an Eligible Person and Dependent more than 31 days after the qualifying event, we will not be able to enroll that person until the Group's next Open Enrollment.

Eligible Employees and Dependents may also enroll under two additional circumstances:

- the Employee's or Dependent's Medicaid or Children's Health Insurance Program (CHIP) coverage is terminated as a result of loss of eligibility; or
- the Employee or Dependent becomes eligible for a subsidy (state premium assistance program) under Medicaid or CHIP.

The Employee or Dependent must request Special Enrollment within 60 days of the loss of Medicaid/CHIP or of the eligibility determination. If We receive an application to add your Dependent or an Eligible Person and Dependent more than 60 days after the loss of Medicaid/CHIP or of the eligibility determination, we will not be able to enroll that person until the Group's next Open Enrollment.

Application forms are available from the Plan.

Upon notice to Anthem of the Dependent's entry in the military, the pro-rata unearned Premiums shall be refunded.

Open Enrollment Period

Open Enrollment means a period of time (at least 31 days prior the Group's renewal date and/or 31 days following) which is held no less frequently than once in any 12 consecutive months.

Notice of Changes

The Subscriber is responsible for notifying the Group of any changes that will affect his or her eligibility or that of Dependents for services or benefits under this Certificate. The Plan must be notified of any changes as soon as possible but no later than within 31 days of the event. This includes changes in address, marriage, divorce, death, change of Dependent disability or dependency status, enrollment or disenrollment in another health plan or Medicare. Failure to notify Us of persons no longer eligible for services will not obligate Us to pay for such services. Acceptance of payments from the Group for persons no longer eligible for services will not obligate Us to pay for such services.

Family Coverage should be changed to Single Coverage when only the Subscriber is eligible. When notice is provided within 31 days of the event, the Effective Date of coverage is the event date causing the change to Single Coverage. The Plan must be notified when a Member becomes eligible for Medicare.

All notifications by the Group must be in writing and on approved forms. Such notifications must include all information reasonably required to effect the necessary changes.

A Member's coverage terminates as specified in the Termination section of this Certificate. The Plan has the right to bill the Subscriber for the cost of any services provided to such person during the period such person was not eligible under the Subscriber's coverage.

Nondiscrimination

No person who is eligible to enroll will be refused enrollment based on health status, health care needs, genetic information, previous medical information, disability, sexual orientation or identity, gender or age.

Effective Date of Coverage

For information on your specific Effective Date of Coverage under this Certificate, please see your human resources or benefits department. You can also contact Us by calling the number located on the back of your Identification (ID) Card.

Statements and Forms

Subscribers (or applicants for membership) must complete and submit applications, medical review questionnaires or other forms or statements the Plan may reasonably request.

Applicants for membership understand that all rights to benefits under this Certificate are subject to the condition that all such information is true, correct and complete. Any material misrepresentation by a Member may result in termination of coverage as provided in the "Changes in Coverage: Termination, Continuation & Conversion" section. We will not terminate this Certificate on the basis of application misstatements after two years have passed since the Enrollment Date.

Delivery of Documents

We will provide an Identification Card for each Member and a Certificate for each Subscriber.

TERMINATION AND CONTINUATION

Except as otherwise provided, your coverage may terminate in the following situations. The information provided below is general and the actual effective date of termination may vary based on your Group's agreement with Us and your specific circumstances, such as whether Premium has been paid in full.

Termination of Coverage

Your coverage and that of your eligible Dependents ceases on the earliest of the following dates:

- a) On the date determined by your employer in which (1) you cease to be eligible; (2) your Dependent is no longer eligible as a Dependent under the Certificate.
- b) On the date the Certificate is terminated.
- c) On the date the Group terminates the Certificate by failure to pay the Premiums, except as a result of inadvertent error.
- d) The date contribution for coverage under the Certificate is not made when due.

For extended eligibility, see Continuation of Coverage.

Continuation of Coverage (COBRA)

Dental benefits may be continued should any of the following events occur, provided that at the time of occurrence this Certificate remains in effect and you or your spouse or your Dependent child is a Member under this Certificate:

QUALIFYING EVENT	WHO MAY CONTINUE	MAXIMUM CONTINUATION PERIOD

You or your eligible Dependents have 60 days from the date you lose coverage, due to one of the events described above, to inform the Group that you wish to continue coverage.

1. Choosing Continuation

If you lose coverage, your employer must notify you of the option to continue coverage within 14 days after employment ends. If coverage for your Dependent ends because of divorce, legal separation, or any other change in Dependent status, you or your covered Dependents must notify your employer within 60 days.

You or your covered Dependents must choose to continue coverage by notifying the employer in writing. You or your covered Dependents have 60 days to choose to continue, starting with the date of the notice of continuation or the date coverage ended, whichever is later. Failure to choose continuation within the required time period will make you or your covered Dependents ineligible to choose continuation at a later date. You or your covered Dependents have 45 days from the date of choosing continuation to pay the first continuation charges. After this initial grace period, you or your covered Dependents must pay charges monthly in advance to the employer to maintain coverage in force.

Charges for continuation are the group rate plus a two percent administration fee. All charges are paid directly to your employer. If you or your covered Dependents are totally disabled, charges for continuation are the group rate plus a two percent administration fee for the first 18 months. For months 19 through 29, the employer may charge the group rate plus a 50 percent administration fee.

2. Second qualifying event

If a second qualifying event occurs during continuation, a Dependent qualified beneficiary may be entitled to election rights of their own and an extended continuation period. This rule only applies when the initial qualifying event for continuation is the employee's termination of employment, retirement, leave of absence, layoff, or reduction of hours.

When a second qualifying event occurs such as the death of the former covered employee, the Dependent must notify the employer of the second event within 60 days after it occurs in order to

continue coverage. In no event will the first and second period of continuation extend beyond the earlier of the date coverage would otherwise terminate or 36 months.

A qualified beneficiary is any individual covered under the health plan the day before the qualified event as well as a child who is born or placed for adoption with the covered employee during the period of continuation coverage.

3. Terminating Continuation of Coverage - COBRA

Continuation of Coverage - COBRA for you and your eligible Dependents, if selected, shall terminate on the last day of the month in which any of the following events first occur:

- a) The expiration of the specified period of time for which Continuation of Coverage - COBRA can be maintained; as mandated by applicable State or Federal law;
- b) This Certificate is terminated by the Group Subscriber;
- c) The Group Subscriber's or Member's failure to make the payment for the Member's Continuation of Coverage

Questions regarding Continuation of Coverage - COBRA should be directed to your employer. Your employer will explain the regulations, qualifications and procedures required when you continue coverage.

DENTAL PROVIDERS AND CLAIMS PAYMENT

You do not have to select a particular Dentist to receive dental benefits. You have the freedom to choose the Dentist you want for your dental care. However, your Dentist choice can make a difference in the benefits you receive and the amount you pay. You may have additional out-of-pocket costs if your Dentist is a Non-Participating Dentist. There may be differences in the payment amount compared with a Participating Dentist if your Dentist is a Non-Participating Dentist.

PAYMENTS ARE MADE BY ANTHEM ONLY WHEN THE COVERED DENTAL PROCEDURES HAVE BEEN COMPLETED. THE PLAN MAY REQUIRE ADDITIONAL INFORMATION FROM YOU OR YOUR PROVIDER BEFORE A CLAIM CAN BE CONSIDERED COMPLETE AND READY FOR PROCESSING. IN ORDER TO PROPERLY PROCESS A CLAIM, THE PLAN MAY BE REQUIRED TO ADD AN ADMINISTRATIVE POLICY LINE TO THE CLAIM. DUPLICATE CLAIMS PREVIOUSLY PROCESSED WILL BE DENIED.

This section describes how We determine the amount of reimbursement for Covered Services. Reimbursement for Dental Services rendered by Participating and Non-Participating Dentists is based on the Maximum Allowed Amount for the type of service performed. There may be different levels of reimbursement for the Maximum Allowed Amount depending upon whether you elect to receive services from a Participating or a Non-Participating Dentist.

The Maximum Allowed Amount is the maximum amount of reimbursement Anthem will pay for Dental Services provided by a Dentist to a Member and which meet our definition of a Covered Service. For Participating Dentists, the Maximum Allowed Amount will be reimbursed according to the Schedule of Maximum Allowable Charges. For Non-Participating Dentists, the Maximum Allowed Amount will be reimbursed according to the Table of Allowances.

You will be required to pay a portion of the Maximum Allowed Amount to the extent you have not met your Deductible or have a Coinsurance. In addition, when you receive Covered Services from a Non-Participating Dentist, you may be responsible for paying any difference between the Maximum Allowed Amount and the Dentist's actual charges. This amount may be significant.

When you receive Covered Services from a Dentist, we will apply processing rules to the claim submitted for those Covered Services. These rules evaluate the claim information and, among other things, determine the accuracy and appropriateness of the Dental Procedure. Applying these rules may affect our determination of the Maximum Allowed Amount. For example, your Dentist may have submitted the claim using several procedure codes when there is a single procedure code that includes all or a combination of the procedures that were performed. When this occurs, our payment will be based on a single Maximum Allowed Amount for the single procedure code rather than a separate Maximum Allowed Amount for each billed procedure amount.

Likewise, when multiple procedures are performed on the same day by the same dental Provider or other dental Providers, We may reduce the Maximum Allowed Amount for those additional procedures, because reimbursement at 100% of the Maximum Allowed Amount for those procedures would represent a duplicate payment for a Dental Procedure that may be considered incidental or inclusive.

PROVIDER NETWORK STATUS

The Maximum Allowed Amount may vary depending upon whether the Provider is a Participating Dentist or a Non-Participating Dentist. There may be different levels of reimbursement for the Maximum Allowed Amount depending upon whether you elect to receive services from a Participating Dentist or a Non-Participating Dentist.

Participating Dentists

A Participating Dentist is a Dentist who has signed a written provider service agreement agreeing to service the program identified in this Certificate. For Covered Services performed by a Participating Dentist, the Maximum Allowed Amount is based upon the lesser of the Dentist's actual charges or the Schedule of Maximum Allowable Charges. Because Participating Dentists have agreed to accept the Maximum Allowed Amount as payment in full for services, they should not send you a bill or collect for amounts above the agreed upon Maximum Allowed Amount. However, you may receive a bill or be asked to pay a portion of the Maximum Allowed Amount to the extent you have exhausted your coverage for the service, have not met your Deductible, have a Coinsurance, have received non-covered services, or have exceeded the dental benefit maximum as outlined in the Summary of Benefits. Please call our Customer Service Department at (844) 729-1565 for help in finding a Participating Dentist or visit our website at www.anthem.com.

Non-Participating Dentists

Dentists who have NOT signed a written provider service agreement agreeing to service the program identified in this Certificate are considered Non-Participating Dentists. For Covered Services you receive from a Non-Participating Dentist, the Maximum Allowed Amount will be the lesser of the Dentist's actual charges or an amount based on Our Non-Participating Dentist fee schedule, referred to as the Table of Allowances, which We have established in Our discretion, and which We reserve the right to modify from time to time after considering one or more of the following: reimbursement amounts accepted by similar providers contracted with Us, and other industry cost, reimbursement and utilization data. The Table of Allowances may be different from the Maximum Allowed Amount reimbursed to Participating Dentists.

Unlike Participating Dentists, Non-Participating Dentists may send you a bill and collect for the amount of the Dentist's charge that exceeds Our Maximum Allowed Amount. You are responsible for paying the difference between the Maximum Allowed Amount and the amount the Non-Participating Dentist charges. This amount may be significant. Choosing a Participating Dentist will likely result in lower out of pocket costs to you. Please call Customer Service Department at (844) 729-1565 for help in finding a Participating Dentist or visit Our website at www.anthem.com.

Customer Service is also available to assist you in determining the Maximum Allowed Amount for a particular service from a Non-Participating Dentist. In order for Us to assist you, you will need to obtain the specific procedure code(s) from your Dentist for the services the Dentist will render. You will also need to know the Dentist's charges to calculate your out of pocket responsibility. Although Customer Service can assist you with this pre-service information, the Maximum Allowed Amount for your claim will be based on the actual claim submitted.

MEMBER COST SHARE

For certain Covered Services and depending on your dental program, you may be required to pay a part of the Maximum Allowed Amount (for example, Deductible and/or Coinsurance). Your Deductible and Coinsurance cost share amount and out-of-pocket limits may vary depending on whether you received services from a Participating or Non-Participating Dentist. Specifically, you may pay higher cost sharing amounts or incur benefit limits when using Non-Participating Dentists. Please see the Summary of Benefits in this Certificate for your cost share responsibilities and limitations, or call Customer Service to learn how this Certificate's benefits or cost share amounts may vary by the type of Dentist you use.

Payment of Benefits

You authorize Us to make payments directly to Participating Dentists for Covered Services. We also reserve the right to make payments directly to you. Payments may also be made to, and notice regarding the receipt and/or adjudication of claims, an Alternate Recipient, or that person's custodial parent or designated representative. Any payments made by Us will discharge Our obligation to pay for Covered Services.

Once a Provider gives a Covered Service, We will not honor a request for Us to withhold payment of the claims submitted.

THE MEMBER IS RESPONSIBLE FOR ALL TREATMENT CHARGES MADE BY A NON-PARTICIPATING DENTIST. WHEN SERVICES ARE OBTAINED FROM A NON-PARTICIPATING DENTIST, ANY BENEFITS PAYABLE UNDER THE GROUP CONTRACT ARE PAID DIRECTLY TO THE MEMBER UNLESS YOU ASSIGN THE PAYMENT DIRECTLY TO THE PROVIDER OF THE DENTAL SERVICE BY INDICATING SO ON THE CLAIM FORM.

Notice of Claim

We are not liable under the Certificate, unless We receive written notice that Covered Services have been given to you. An expense is considered incurred on the date the service or supply was given.

The notice must be given to Us within 12 months of receiving the Covered Services, and must have the data We need to determine benefits. Failure to give Us notice within 12 months will not reduce any benefit if you show that the notice was given as soon as reasonably possible. No notice can be submitted later than one year after the usual 12 month filing period ends. If the notice submitted does not include sufficient data We need to process the claim, then the necessary data must be submitted to Us within the time frames specified in this provision or no benefits will be payable except as otherwise required by law.

Any benefits due under this Certificate shall be due once We have received proper, written proof of loss, together with such reasonably necessary additional information We may require to determine Our obligation. In the event We do not pay a claim within 30 days of receipt of proof of loss, We will pay interest at the rate required by law on the benefits due under the terms of the Certificate.

Claims should be submitted to:

Anthem Blue Cross and Blue Shield
PO Box 1115
Minneapolis, MN 55440-1115
(844) 729-1565

Proof of Claim

Written proof of claim satisfactory to Us must be submitted to Us within 12 months after the date of the event for which claim is made. If proof of claim is not sent within the time required, the claim will not be reduced or denied if it was not possible to send proof within this time. However, the proof must be sent as soon as reasonably possible. In any case, the proof required must be sent to Us no later than one year following the 12 month period specified, unless you were legally incapacitated.

Claim Forms

Many Providers will file a claim form for you. If the forms are not available, either send a written request for claim forms to Us or contact customer service and ask for claim forms to be sent to you. The form will be sent to you within 15 days. If you do not receive the forms, written notice of services rendered may be submitted to Us without the claim form. The same information that would be given on the claim form must be included in the written notice of claim. This includes:

- Name of patient
- Patient's relationship with the Subscriber
- Identification number
- Date, type and place of service
- Your signature and the Provider's signature

Member's Cooperation

Each Member shall complete and submit to the Plan such authorizations, consents, releases, assignments and other documents as may be requested by the Plan in order to obtain or assure reimbursement under Medicare, Worker's Compensation or any other governmental program. Any Member who fails to cooperate will be responsible for any charge for services.

Explanation of Benefits

After you receive dental care, you will often receive an Explanation of Benefits (EOB). The EOB is a summary of the coverage you receive. The EOB is not a bill, but a statement from Us to help you understand the coverage you are receiving. The EOB shows:

- total amounts charged for services/supplies received;
- the amount of the charges satisfied by your coverage;
- the amount for which you are responsible (if any);
- general information about your Appeals rights and for ERISA plans, information regarding the right to bring an action after the Appeals process.

COVERED SERVICES

Dental Utilization Review

Dental utilization review is designed to promote the delivery of cost-effective dental care by encouraging the use of clinically recognized and proven procedures. It is included in your Plan to encourage you and your dentist to utilize your dental benefits in a cost-effective and clinically appropriate and recognized manner. Your right to benefits for Covered Services provided under this Plan is subject to review by licensed dentists who will apply certain policies, guidelines and limitations, including, but not limited to, our coverage/clinical guidelines, dental policy and utilization review features.

Dental utilization review is accomplished through pre-treatment review and retrospective review. Our dental coverage guidelines for pre-treatment review and retrospective review are intended to reflect general standards of care for dental practice applying state-specific regulations where necessary. The purpose of dental coverage guidelines is to assist in the interpretation of medical or dental necessity. In order to be expenses or services covered under this Plan, such expenses and services must meet Anthem's Medical or Dental Necessity requirements.

Pretreatment Estimate

(Estimate of Benefits)

IT IS RECOMMENDED, BUT NOT REQUIRED, THAT A PRETREATMENT ESTIMATE BE SUBMITTED TO ANTHEM PRIOR TO TREATMENT IF YOUR DENTAL TREATMENT INVOLVES MAJOR RESTORATIVE, ENDODONTIC, PERIODONTAL, ORAL SURGERY, PROSTHETICS, OR ORTHODONTIC CARE (SEE DESCRIPTION OF COVERAGES), TO ESTIMATE THE MAXIMUM ALLOWED AMOUNT. THE PRETREATMENT ESTIMATE IS A VALUABLE TOOL FOR BOTH THE DENTIST AND YOU. SUBMITTING A PRETREATMENT ESTIMATE ALLOWS THE DENTIST AND YOU TO KNOW WHAT BENEFITS ARE AVAILABLE TO YOU BEFORE BEGINNING TREATMENT. THE PRETREATMENT ESTIMATE WILL OUTLINE YOUR RESPONSIBILITY TO THE DENTIST WITH REGARD TO COINSURANCE, DEDUCTIBLES, COPAYS AND NON-COVERED SERVICES. THIS WILL ALLOW THE DENTIST AND YOU TO MAKE ANY NECESSARY FINANCIAL ARRANGEMENTS BEFORE TREATMENT BEGINS. THIS PROCESS DOES NOT PRIOR AUTHORIZE THE TREATMENT NOR DETERMINE ITS DENTAL OR MEDICAL NECESSITY. THE ESTIMATED MAXIMUM ALLOWED AMOUNT IS BASED ON YOUR CURRENT ELIGIBILITY AND CONTRACT BENEFITS IN EFFECT AT THE TIME OF THE COMPLETED SERVICE. SUBMISSION OF OTHER CLAIMS OR CHANGES IN ELIGIBILITY OR THE CONTRACT MAY ALTER FINAL PAYMENT. THIS IS NOT A GUARANTEE OF BENEFITS.

After the examination, your Dentist will establish the dental treatment to be performed. If the dental treatment necessary involves major restorative, endodontics, periodontal, oral surgery, prosthetic services or orthodontic care, you should submit a claim form to Anthem outlining the proposed treatment. Anthem will determine if the proposed treatment is covered and estimate the Maximum Allowed Amount, including your responsibility for Coinsurance, Deductibles, and non-covered services.

A statement will be sent to you and your Dentist estimating the amount of the Maximum Allowed Amount, including the amount that you will owe. These estimates will be subject to your continuing eligibility and the Group Contract remaining in effect. If claims for other completed Dental Services are received and processed prior to the completion date of the proposed treatment, this may reduce Anthem's estimated Maximum Allowed Amount for the proposed treatment and increase your obligation to the Dentist.

TO AVOID ANY MISUNDERSTANDING OF THE MAXIMUM ALLOWED AMOUNT OR THE AMOUNT THAT YOU WILL OWE, ASK YOUR DENTIST ABOUT HIS OR HER PARTICIPATION STATUS AND IF HE OR SHE HAS AGREED TO SERVICE THIS DENTAL PROGRAM PRIOR TO RECEIVING DENTAL CARE.

You will be responsible for payment of any Deductibles, Copays and Coinsurance amounts and any dental treatment that is not considered a Covered Service under your Certificate.

The Plan covers the following Dental Procedures when they are performed by a licensed Dentist and when necessary and customary as determined by the standards of generally accepted dental practice. The benefits under this Certificate shall be provided whether the Dental Procedures are performed by a duly licensed physician or a duly licensed Dentist, if otherwise covered under this Certificate, provided that such Dental Procedures can be lawfully performed within the scope of a duly licensed Dentist.

As a condition precedent to the approval of claim payments, the Plan shall be entitled to request and receive, to such extent as may be lawful, from any attending or examining Dentist, or from hospitals in which a Dentist's care is provided, such information and records relating to a Member as may be required to pay claims. Also, the Plan may require that a Member be examined by a dental consultant retained by Anthem in or near the Member's place of residence. Anthem and the Plan shall hold such information and records confidential.

Anthem does not determine whether a service submitted for payment or benefit under this Certificate is a Dental Procedure that is dentally or medically necessary to treat a specific condition or restore dentition for an individual. The Plan evaluates Dental Procedures submitted to determine if the procedure is a covered benefit. Your coverage includes a preset schedule of Dental Services that are eligible for benefit by Anthem. Other Dental Services may be recommended or prescribed by your Dentist which are dentally or medically necessary, offer you an enhanced cosmetic appearance, or are more frequent than covered by Anthem. While these services may be prescribed by your Dentist and are dentally or medically necessary for you, they may not be a Dental Service that is benefited by Anthem or they may be a service where Anthem provides a payment allowance for a service that is considered to be optional treatment. If Anthem gives you a payment allowance for optional treatment that is covered, you may apply this Anthem payment to the service prescribed by your Dentist which you elected to receive. Services that are not covered by Anthem or exceed the frequency of plan benefits do not imply that the service is or is not dentally or medically necessary to treat your specific dental condition. You are responsible for Dental Services that are not covered or benefited by Anthem. Determination of services necessary to meet your individual dental needs is between you and your Dentist.

Retrospective Review

Retrospective review means a Medical Necessity review that is conducted after dental care services have been provided. A claim review includes, but is not limited to, an evaluation of reimbursement levels, accuracy of documentation, accuracy of coding and adjudication of payment.

We provide a toll-free telephone number available during normal business hours to assist you or your Provider in obtaining information with respect to our utilization review process. This same number may be utilized after business hours to leave a message which will be responded to within two business days in non-emergent situations. This telephone number is listed on your identification card.

If you disagree with a utilization review decision and wish to file an appeal or appeal a decision previously made, you will find details on how to do this in the claim and appeal procedures section of this certificate. You may also contact customer service at the toll-free number on your identification card.

The utilization review process is governed by laws and regulations and may be modified from time to time by us as those laws and regulations may require.

ONLY those services listed below are covered. Deductibles and Dental Benefit Maximums are listed under the Summary of Benefits. Covered Services are subject to the limitations within the Benefits, Exclusions and Limitations sections described below. For estimates of Covered Services, please see the "Pretreatment Estimate" section of this Certificate.

LIMITATION: Orthodontic benefits will be limited to services received after the Member's effective date under this Certificate.

Form or Content of Certificate

No agent or employee of the Plan is authorized to change the form or content of this Certificate. Such changes can be made only through an endorsement authorized and signed by an officer of the Plan.

Relationship of Parties (Plan - Participating Dentists)

The relationship between the Plan and Participating Dentists is an independent contractor relationship. Participating Dentists are not agents or employees of the Plan, nor is the Plan, or any employee of the Plan, an employee or agent of Participating Dentists.

The Plan shall not be responsible for any claim or demand on account of damages arising out of, or in any manner connected with, any injuries suffered by a Member while receiving care from any Participating Dentist or in any Participating Dentist's facilities.

Your Participating Dentist's agreement for providing Covered Services may include financial incentives or risk sharing relationships related to provision of services or referrals to other Providers, including Participating Dentists and Non-Participating Dentists. If you have questions regarding such incentives or risk sharing relationships, please contact your Provider or the Plan.

Not Liable for Provider Acts or Omissions

The Plan is not responsible for the actual care you receive from any person. This Certificate does not give anyone any claim, right, or cause of action against the Plan based on what a Provider of dental care, services or supplies, does or does not do.

Identification Card

Your Identification Card identifies the dental program in which you are enrolled. When you receive care from a Participating or Non-Participating Dentist, you must show your Identification Card. Possession of an Identification Card confers no right to services or other benefits under this Certificate. To be entitled to such services or benefits you must be a Member on whose behalf all applicable Premiums under this Certificate have been paid. If you receive services or other benefits to which you are not then entitled under the provisions of this Certificate you will be responsible for the actual cost of such services or benefits.

Employer Premiums

Your employer is responsible for paying a monthly Premium by the first day of the month for which coverage is purchased. We will allow employers a 31 day grace period to pay monthly Premiums, except for the first month's Premium. During this grace period, coverage will continue unless We receive a written notice of termination from your employer. We will notify your employer at least 15 days prior to terminating the Group Contract for non-payment of a monthly Premium. Anthem is not responsible for costs you incur during any period (other than the grace period discussed above) when your employer fails to pay full Premiums.

Extension of Benefits

If this Dental Certificate terminates, benefits will be continued for a period of 60 days for the following:

1. The installation of new appliances and modifications to appliances for which a master impression was made prior to the benefit termination date.
2. An installation of a crown, bridge, or cast restoration for which the tooth was prepared prior to the benefit termination date.

Extension of Benefits will not apply if the group policy terminates.

Coordination of Benefits

Special COB rules apply when you or members of your family have additional dental care coverage through other group dental plans, including:

- group insurance plans, including other Anthem plans;
- labor management trustee plans, union welfare plans, employer welfare plans, employer organization plans, or employee benefit organization plans; and
- coverage under any tax-supported or government program to the extent permitted by law.

All benefits provided under this agreement are subject to this provision. However, benefits will not be increased by this COB provision. This provision applies if the total payment under this agreement absent this provision and under any other contract is greater than the value of covered services.

Primary coverage and secondary coverage. When a member is also enrolled in another group dental plan, one coverage will pay benefits first (be primary) and the other will pay second (be secondary). The primary coverage will pay benefits first. The decision of which coverage will be primary or secondary is made using benefit determination rules.

When we provide secondary coverage, we first calculate the amount that would have been payable had we been primary. Then we coordinate benefits so that the combination of the primary plan's payment and our payment does not exceed the amount we would have paid had it been primary.

Definition of "other contract". Other contract means any arrangement providing dental care benefits or services through:

- group or blanket insurance coverage;
- group Anthem, health maintenance organization, and other prepayment coverage;
- coverage under labor management trustee plans, union welfare plans, employer organization plans, or employee benefit organization plans; and
- coverage under any tax supported or government program to the extent permitted by law.

If there is more than one other contract, this provision will apply separately to each. If another contract has a coordination of benefits provision that applies to only part of its services, the terms of this paragraph will be applied separately to that part and to any other part.

Anthem will not determine the existence of any other contract, or the amount of benefits payable under any other contract except this agreement. The payment of benefits under this agreement shall be affected by the benefits payable under other contracts only when Anthem is given information about other contracts.

If the rules of this agreement and the other contract both provide that this agreement is primary, then this agreement is primary. When Anthem determines that this agreement is secondary under the rules described below, benefits will be coordinated so that our payment plus the other contract's payment will not exceed Anthem *maximum allowed amount for covered services*.

Order of Benefit Determination Rules

1. Pediatric Dental Coordination of Benefits (COB). If pediatric dental Essential Health Benefits are included as part of the medical plan, the medical plan will be the primary coverage and any standalone dental plan will be secondary.
2. If you have two dental plans, the plan which includes pediatric dental Essential Health Benefits will be the primary coverage.
3. If neither of the above applies, the Order of Benefit Determination Rules below will determine coordination of benefits.
4. If you are covered under one plan as a primary insured and another plan as a dependent, the plan under which you are the primary insured will be the primary coverage.
5. As required by law, if you or a dependent also has coverage under Medicare, this plan will always be primary.
6. For children who are covered under both parents' contracts, the following will apply:
 - a. The contract of the parent whose birthday occurs earlier in the calendar year will be primary.
 - b. When parents are separated or divorced, the following special rules will apply:
 - i. If the parent with custody has not remarried, that parent's contract will be primary.
 - ii. If the parent with custody has remarried, that parent's contract will be primary and the stepparent's contract will be secondary. The benefits of the contract of the parent without custody will be determined last.
 - iii. The rules listed above may be changed by a court decree:
 - A court decree that orders one of the parents to be responsible for health care expenses will cause that parent's contract to be primary, but only if the entity providing the benefits in this case is notified of the court decree before applying benefits.
 - If the court decree does not state that one of the parents is responsible for health care expenses and both parents have joint custody, the contract of the parent whose birthday occurs earlier in the calendar year will be primary.
7. If the other contract includes the gender rule, then that rule will be used instead of the rules listed above. The gender rule states that the father's contract will be primary for the children.
8. If there are situations not covered above, then the contract that has been in effect the longest period of time (without interruption) will be primary. There is an exception to this rule. The contract that covers a working employee (or his dependent) will be primary. The contract of a laid-off employee, a retired employee, or a person on continuation of coverage options under federal or state law will be secondary.
9. If another contract has different rules from those listed above other than the gender rule, that contract will be primary.

If payments should have been made under this agreement under the rules of this provision, but they have been made under any other contract, Anthem may pay an entity (provider, other carrier, etc.) that has paid any amounts it determines will meet the intent of this provision. These amounts shall be deemed to be benefits paid under this agreement. Upon this payment, Anthem will no longer be liable under this agreement.

Relationship of Parties (Group-Member-Plan)

Neither the Group nor any Member is the agent or representative of the Plan.

The Group is fiduciary agent of the Member. The Plan's notice to the Group will constitute effective notice to the Member. It is the Group's duty to notify the Plan of eligibility data in a timely manner. The Plan is not responsible for payment of Covered Services of Members if the Group fails to provide the Plan with timely notification of Member enrollments or terminations.

Conformity with Law

Any provision of this Certificate which is in conflict with the laws of the state in which the Group Dental Contract is issued, or with federal law, is hereby automatically amended to conform with the minimum

requirements of such laws.

Modifications

This Certificate allows the Group to make the Plan coverage available to eligible Members. However, this Certificate shall be subject to amendment, modification, and termination in accordance with any of its provisions, the Group Dental Contract, or by mutual agreement between the Plan and the Group without the permission or involvement of any Member. Changes will not be effective until 30 days after We provide written notice to the Group about the change. By accepting the Plan benefits, all Members who are legally capable of entering into a contract, and the legal representatives of all Members that are incapable of entering into a contract, agree to all terms, conditions, and provisions in this Certificate.

Physical Examination and Autopsy

We shall have the right at Our own expense to: (1) examine any Member for whom a claim is made when and as often as may be reasonably required during the pendency of a claim; and (2) perform an autopsy on any Member where it is not otherwise prohibited by law.

Legal Action

You may not take legal action against Us to receive benefits:

- Earlier than 60 days after We receive the claim; or
- Later than three years after the date the claim is required to be furnished to Us or the date of service.

You must exhaust the Plan's Grievance and Appeal Procedures before filing a lawsuit or other legal action of any kind against Us.

Punitive Damages

In the event that you or your representative sue us or any of our directors, officers or employees acting in his or her capacity as a director, officer or employee for a determination of what coverage, if any, exists under this Certificate, your damages will be limited to the amount of your claim for benefits.

The damages may not exceed the amount of any claim not properly paid as of the date the lawsuit is filed. This Certificate does not provide coverage for punitive damages, or damages for emotional distress or mental anguish. However, this provision is not intended, and will not be construed, to affect in any manner, any recovery by you or your representative of any non-contractual damages to which you or your representative may otherwise be entitled.

Reservation of Discretionary Authority

The following provision only applies where the interpretation of this Certificate is governed by the Employee Retirement Income Security Act (ERISA), 29 U.S.C. 1001 et seq.

The Plan, or anyone acting on Our behalf, shall determine the administration of benefits and eligibility for participation in such a manner that has a rational relationship to the terms set forth herein. However, We, or anyone acting on Our behalf, has complete discretion to determine the administration of your benefits. Our determination shall be final and conclusive and may include, without limitation, determination of whether the services, care, treatment, or supplies are covered. However, a Member may utilize all applicable Grievance and Appeals Procedures.

The Plan, or anyone acting on Our behalf, shall have all the powers necessary or appropriate to enable it to carry out its duties in connection with the operation and administration of the Certificate. This includes, without limitation, the power to construe the Group Dental Contract, to determine all questions arising under the Certificate, to resolve Member Grievances and Appeals and to make, establish and amend the rules,

regulations and procedures with regard to the interpretation and administration of the provisions of this Certificate. However, these powers shall be exercised in such a manner that has reasonable relationship to the provisions of the Group Dental Contract, the Certificate, Provider agreements, and applicable state or federal laws. A specific limitation or exclusion will override more general benefit language.

CLAIM AND APPEAL PROCEDURES

Written Notice Of Claim

Written notice of claim must be submitted to us within twenty (20) days after the date of service. Failure to give notice within such time shall not invalidate nor reduce any claim if it shall be shown not to have been reasonably possible to give such notice and that notice was given as soon as was reasonably possible.

Claim Forms

We will furnish to the person making claim, or to the policyholder for delivery to such person, such forms as are usually furnished by it for filing proof of loss. If such forms are not furnished before the expiration of fifteen (15) days after we receive notice of any claim under the policy, the person making such claim shall be deemed to have complied with the requirements of the policy as to proof of loss upon submitting, within the time fixed in the policy for filing proof of loss, written proof covering the occurrence, character, and the extent of the loss for which claim is made.

Time of Payment of Claim

All claims should be submitted within 12 months of the date of service.

For a claim that is filed electronically, we will notify the provider of any deficiencies in a submitted claim not more than thirty (30) days after receipt of proof of loss and will describe any remedy necessary to establish a clean claim.

For a claim that is filed on paper, we will notify you, or the provider if submitted by the provider, of any deficiencies in a submitted claim not more than forty-five (45) days after receipt of proof of loss and will describe any remedy necessary to establish a clean claim.

If we do not provide notification within the above time frames, the claim will be considered a clean claim and the claim will be paid or denied, within thirty (30) days for a claim that is filed electronically or forty-five (45) days for a claim that is filed on paper.

Appeals

If we fail to pay or deny a clean claim in the time required above and we subsequently pay the claim, we will pay interest to you, or to the Provider that submitted the claim, on the allowable amount of the claim paid under this provision.

Interest paid accrues beginning thirty-one (31) days after the date the claim is electronically or forty-six (46) days after the date the claim is filed in paper format; and stops accruing on the date the claim is paid.

Interest paid will be equal to the average investment yield on state money for Indiana's previous fiscal year, excluding pension fund investments, as published in the auditor of Indiana's comprehensive annual financial report.

"Clean claim" means a claim submitted for payment that has no defect, impropriety, or particular circumstance requiring special treatment preventing payment.

Appeals

First Level Grievance

In the event that we deny a claim in whole or in part, you have a right to a full and fair review. Your request to review a claim must be in writing and submitted within 180 from the claim denial. We will acknowledge receipt of your request within 10 days and make a benefit determination within 20 days following receipt of your appeal. However, if we cannot complete the investigation within this time period, we will notify you in

writing and will then complete the investigation within 30 days of when we provided you with this notice. Following completion of the investigation we will notify you of the resolution of your grievance within 15 days and of your right to a second level review if we uphold the initial determination.

Your appeal must include your name, your identification number, group number, claim number, and dentist's name as shown on the Explanation of Benefits. Send your appeal to the address shown on the Explanation of Benefits.

Anthem Blue Cross and Blue Shield

Minneapolis, MN 55440-1122

You may submit written comments, documents, or other information in support of your appeal. You will also be provided, upon request and free of charge, reasonable access to and copies of all relevant records used in making the decision. The review will take into account all information regarding the denied or reduced claim (whether or not presented or available at the initial determination) and the initial determination will not be given any weight.

The review will be conducted by someone different from the original decision-makers and without deference to any prior decision. Because all benefit determinations are based on a preset schedule of dental services eligible under your plan, claims are not reviewed to determine dental necessity or appropriateness. In all cases where professional judgment is required to determine if a procedure is covered under your plan's Summary of Benefits, we will consult with a dental professional who has appropriate training and experience. In such a case, this professional will not be the same individual whose advice was obtained in connection with the initial adverse benefit determination (nor a subordinate of any such individual). In addition, we will identify any dental professional whose advice was obtained on our behalf, without regard to whether the advice was relied upon in making the benefit determination. If, after review, we continue to deny the claim, you will be notified in writing.

Second Level Grievance

If you are not satisfied after the completion of the first level grievance, you have the right to a second level grievance. If you choose to exercise this right, the same time frames discussed First Level Grievance section will apply.

We will submit a second level grievance to a grievance advisory plan that consists of: (1) other enrollees in the Plan and; (2) representatives from the Plan who were not involved in the initial benefit determination or the first level grievance.

If you are not satisfied after the Second Level Grievance determination, you may contact the Missouri Department of Insurance at:

Expedited review

In an appeal of a claim for urgent care, which is defined as a claim involving a matter that would seriously jeopardize the life or health of a covered person, or would jeopardize the covered person's ability to regain maximum function, an expedited appeal process is available. You may submit the appeal information by telephone, fax, or other expeditious method; and We will make a decision not more than 72 hours after the request for an expedited appeal is submitted.

In the event more information is necessary to make a decision, we will notify you within 24 hours and tell you what information we need. You will be given 45 days to provide the requested information. If you supply us with the information we requested within the specified time period, we will give you a decision within 48 hours. However, if you do not provide us with the additional information we will make a decision within 48 hours of the expiration of the 45 day time period.

Authorized Representative

You may authorize another person to represent you and with whom you want us to communicate regarding specific claims or an appeal. However, no authorization is required for your treating dentist to make a claim or appeal on your behalf. The authorization form must be in writing, signed by you, and include all the information required in our Authorized Representative form. This form is available at our web site or by calling Customer Service. You can revoke the authorized representative at any time, and you can authorize only one person as your representative at a time.

All claims should be submitted within 12 months of the date of service. An initial benefit determination on your claim will be made within 30 days after receipt of your claim. You will receive written notification of this benefit determination. The 30-day period may be extended for an additional 15 days if the claim determination is delayed for reasons beyond our control. In that case, we will notify you prior to the expiration of the initial 30-day period of the circumstances requiring an extension and the date by which we expect to render a decision. If the extension is necessary to obtain additional information from you, the notice will describe the specific information we need, and you will have 45 days from the receipt of the notice to provide the information. Without complete information, your claim will be denied.

Appeals

In the event that we deny a claim in whole or in part, you have a right to a full and fair review. Your request to review a claim must be in writing and submitted within 180 days from the claim denial. We will make a benefit determination within 60 days following receipt of your appeal.

Your appeal must include your name, your identification number, group number, claim number, and dentist's name as shown on the Explanation of Benefits. Send your appeal to:

Anthem Blue Cross Life and Health Insurance Company
Attention: Appeals Unit
PO Box 1122
Minneapolis, MN 55440-1122

You may submit written comments, documents, or other information in support of your appeal. You will also be provided, upon request and free of charge, reasonable access to and copies of all relevant records used in making the decision. The review will take into account all information regarding the denied or reduced claim (whether or not presented or available at the initial determination) and the initial determination will not be given any weight.

The review will be conducted by someone different from the original decision-makers and without deference to any prior decision. Because all benefit determinations are based on a preset schedule of Dental Services eligible under your plan, claims are not reviewed to determine dental necessity or appropriateness. In addition, we will identify any dental professional whose advice was obtained on our behalf, without regard to whether the advice was relied upon in making the benefit determination. If, after review, we continue to deny the claim, you will be notified in writing.

Authorized Representative

You may authorize another person to represent you and with whom you want us to communicate regarding specific claims or an appeal.
