**NOTICE OF PROTECTION PROVIDED BY
MISSOURI LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION**

This notice provides a *brief summary* of the Missouri Life and Health Insurance Guaranty Association (“the Association”) and the protection it provides for policyholders. This safety net was created under Missouri law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity, or health insurance company becomes financially unable to meet its obligations and is taken over by its insurance department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Missouri law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are as follows:

- Life Insurance
 - \$300,000 in death benefits
 - \$100,000 in cash surrender and withdrawal values
- Health Insurance
 - \$500,000 in hospital, medical, and surgical insurance benefits
 - \$300,000 in disability insurance benefits
 - \$300,000 in long-term care insurance benefits
 - \$100,000 in other types of health insurance benefits
- Annuities
 - \$250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is as follows:

- \$300,000 in aggregate for all types of coverage listed above, with the exception of basic hospital, medical, and surgical insurance or major medical insurance
- \$500,000 in aggregate for basic hospital, medical, and surgical insurance or major medical insurance
- \$5,000,000 to one policy owner of multiple nongroup policies of life insurance, whether the policy owner is an individual, firm, corporation, or other person, and whether the persons insured are officers, managers, employees, or other persons

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Missouri law.

To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association’s website at www.mo-iga.org, or contact:

DEFINITIONS

The following are definitions of terms as they are used in this Certificate. Defined terms are printed in bold face type wherever found in this Certificate.

A

Active Status means the **Employee** is performing all of the material duties of his/her occupation whether performed at the **Employer's** business establishment or another location of business when required to travel on behalf of the **Employer**:

- On a regular, full-time basis;
- For the number of hours per week shown on the Employer Group Application; and
- For 48 weeks a year.

An **Employee** will be considered in **Active Status** with the **Employer** on a day which is one of the **Employer's** scheduled work days if the **Employee** is performing, in the usual way, all of the material duties of his/her occupation on a full-time basis. The **Employee** will also be considered actively at work on each day of a regular scheduled paid vacation, or any regular non-working holiday, only if the **Employee** was at work on the preceding scheduled work day and was not **Totally Disabled** including a hospital confinement on that day.

For Short Term Disability, an **Employee** who is not actively at work due to a labor dispute, including but not limited to, strike, work slowdown, or lockout is not considered to be in **Active Status**.

B

Bodily Injury means injury due directly to a specific accident, independent of all other causes. Muscle strain due to athletic or physical activity, or bodily damage resulting from infection, is considered a **Sickness**.

C

Confinement means being a resident patient in a **Hospital** or **Qualified Treatment Facility** for at least 15 consecutive hours. **Confinement** does not mean detainment in Observation Status.

Successive **Confinements** are considered to be one **Confinement** if:

- Due to the same **Bodily Injury** or **Sickness**; and
- Separated by fewer than 30 consecutive days when **You** are not confined.

Cosmetic Surgery means Surgery performed to reshape normal structures of the body in order to improve **Your** appearance and self-esteem.

Placement means in the physical custody of the adoptive parent; the coverage continues unless the placement is disrupted prior to legal adoption and the child is removed from placement. **Dependent** DOES NOT mean a grandchild, great grandchild, or foster child. Each child must:
 - Meet all of the qualifications of a **Dependent** as determined by the Internal Revenue Service; and
 - Be declared on and legally qualify as a **Dependent** on the **Employee's** federal personal income tax return filed for each year of coverage.

The limiting age for each **Dependent** child is:

- The child's 26 birthday; or
- The child's 26 birthday if such child is in regular full-time attendance at an accredited secondary school, college or university. The **Dependent** child must be enrolled for sufficient course credits to maintain full-time status as defined by that school. A **Dependent** child continues to be eligible for coverage for up to four months following the close of a school term only if enrolled as a full-time student for the following school term.

You must furnish satisfactory proof to **Us** upon **Our** request that the above conditions continuously exist. If satisfactory proof is not submitted to **Us**, the child's coverage will not continue beyond the last date of eligibility.

A covered **Dependent** child who becomes an employee eligible for other group coverage through employment is no longer eligible as a **Dependent** for coverage under the Policy.

A covered **Dependent** child who attains the limiting age WHILE INSURED under the Policy remains eligible for Benefits if:

- Mentally retarded or permanently physically handicapped;
- Incapable of self-sustaining employment;
- The child meets all of the qualifications of a **Dependent** as determined by the Internal Revenue Service;
- Declared on and legally qualified as a **Dependent** on the **Employee's** federal personal income tax return filed for each year of coverage; and
- Unmarried.

You must furnish satisfactory proof to **Us** upon **Our** request that the above conditions continuously exist on and after the date the limiting age is reached. After two years from the date the first proof was furnished, **We** may not request such proof more often than annually. If satisfactory proof is not submitted to **Us**, the child's coverage will not continue beyond the last date of eligibility.

- Eligibility requirements stated in the Employer Group Application are satisfied; and
- The **Employee** is in an **Active Status**.

EMPLOYEE ENROLLMENT

The **Employee** must enroll on forms furnished and accepted by **Us**. Depending on the total number of **Employees** covered by the **Employer's** plan, **We** may require any **Employee** to provide evidence of insurability and any applicable evidence of health status whenever an enrollment form is submitted.

If **You** enroll more than 31 days after **Your** eligibility date, **You** are a late applicant and must provide **Us** with evidence of insurability and any applicable evidence of health status. This form is available from the **Employer** or **Us**. **We** have the right to accept or decline coverage. If accepted, **You** will be covered on the date **We** specify.

EMPLOYEE DELAYED EFFECTIVE DATE

If the **Employee** is not in **Active Status** on the effective date shown on the Schedule of Benefits, coverage will be effective the day after the **Employee** returns to **Active Status**. The **Employer** must notify **Us** in writing of the **Employee's** return to **Active Status**.

ELIGIBILITY AND EFFECTIVE DATE OF INSURANCE (continued)

DEPENDENT COVERAGE

DEPENDENT ELIGIBILITY DATE

Each **Dependent** is eligible for coverage on:

- The date the **Employee** is eligible for coverage, if he or she has **Dependents** who may be covered on that date;
- The date of the **Employee's** marriage for any **Dependents** (spouse or child) acquired on that date;

The **Employee** may cover his or her **Dependents** ONLY if the **Employee** is also covered.

A **Dependent** child who becomes eligible for other group coverage through any employment is no longer eligible for group coverage under the Policy. If a **Dependent** child becomes an **Employee** of the participating **Employer**, he or she is no longer eligible as a **Dependent** and must make application as an eligible **Employee**.

DEPENDENT ENROLLMENT

Check with the **Employer** immediately on how to enroll for **Dependent** Coverage. Late enrollment may result in denial of **Dependent** Coverage by **Us**.

The **Employee** must enroll for **Dependent** Coverage and enroll additional **Dependents** on forms furnished and accepted by **Us**. No **Dependent** will become a **Covered Person** until **We** approve the **Dependent** for coverage.

Depending on the total number of **Employees** covered by the **Employer's** plan, **We** may require any **Dependent** to provide evidence of insurability and any applicable evidence of health status whenever an enrollment form is submitted.

If **You** enroll more than 31 days after **Your** eligibility date, **You** are a late applicant and must provide **Us** evidence of insurability and any applicable evidence of health status. This form is available from the **Employer** or **Us**. **We** have the right to accept or decline coverage. If accepted, **You** will be covered on the date **We** specify.

NEWBORN DEPENDENT ENROLLMENT

Employees who already have full **Dependent** (spouse and children) coverage in force PRIOR to the newborn's date of birth are not required to complete an enrollment form for the newborn child.

All other **Employees** who are changing their current coverage must complete an enrollment form for the newborn **Dependent**. This form is available from **Your Employer** or from **Us**.

ELIGIBILITY AND EFFECTIVE DATE OF INSURANCE (continued)

DEPENDENT EFFECTIVE DATE

Each **Dependent's** effective date of coverage is determined as follows, subject to the **Dependent** Delayed Effective Date provision:

- If **We** receive the enrollment form ON, PRIOR TO or WITHIN 31 days of the **Dependent's** eligibility date, that **Dependent** is covered on the date he or she is eligible;
- If **We** receive the enrollment form MORE THAN 31 days after the **Dependent's** eligibility date, **We** require evidence of insurability and any applicable evidence of health status. **We** have the right to accept or decline coverage for the **Dependent** based upon the evidence of insurability and any applicable evidence of health status. If accepted, the effective date of coverage will be the date **We** specify.

However, NO **Dependent's** effective date will be prior to the **Employee's** effective date of coverage.

Refer to **Your** Schedule of Benefits for benefits available.

NEWBORN DEPENDENT EFFECTIVE DATE

A newborn **Dependent's** effective date is determined as follows:

- If **We** receive the enrollment form ON, PRIOR TO or WITHIN 31 days of the newborn's date of birth, adoption or placement, **Dependent** Coverage is effective on the newborn's date of birth. **Pre-Existing Condition** limitations described in this Certificate and on the Schedule of Benefits DO NOT apply to that newborn child.
- If **We** receive the enrollment form MORE THAN 31 days after the newborn's eligibility date, **We** require evidence of insurability and any applicable evidence of health status. **We** have the right to accept or decline coverage for the newborn based upon the evidence of insurability and any applicable evidence of health status. If accepted, the newborn will be covered on the date **We** specify. **Pre-Existing Condition limitations** WILL apply to that newborn child.

DEPENDENT DELAYED EFFECTIVE DATE

If the **Dependent**:

- Is confined in a **Hospital** or **Qualified Treatment Facility**; or
- Is receiving Home Health Care or Hospice benefits,

The **Dependent's** effective date of coverage will be delayed.

The **Dependent's** coverage will be effective on the day after:

- Discharge from **Confinement**, if the discharge from **Confinement** is certified by a **Qualified Practitioner**; or
- A **Qualified Practitioner** certifies that Home Health Care is no longer required.

ELIGIBILITY AND EFFECTIVE DATE OF INSURANCE

(continued)

If **Dependent** coverage is in force or applied for within 31 days of the newborn child's date of birth, the Dependent Delayed Effective Date provision will not apply to the newborn child on its date of birth.

DEPENDENT BENEFIT CHANGES

Additional or increased insurance will become effective on the approved date of change, subject to the **Dependent** Delayed Effective Date provision.

We may require any **Dependent** to provide evidence of insurability and any applicable evidence of health status whenever a benefit change is requested.

A decrease in insurance will be effective immediately on the approved date of change.

TERMINATION OF COVERAGE

Termination of Coverage may be immediate or at the end of the period which was selected by Your Employer on the Employer Group Application.

Insurance terminates on the earliest of the following:

- The date the Group Policy terminates;
- The end of the period for which required premium was due **Us** and not received by **Us**;
- For an **Employee**, the date he or she terminates employment with the **Employer**;
- For an **Employee**, the date he or she no longer qualifies as an **Employee**;
- The date **You** fail to be in an eligible class of persons as provided in the Insurance Classifications as stated in the Employer Group Application;
- The date **You** enter full-time military, naval or air service except that termination will not occur if **You** are in temporary active duty as a reservist for military training that lasts 30 days or less;
- The date the **Employee** retires, except if the Employer Group Application provides coverage for a retiree class of **Employees** and the retiree is in an eligible class of retirees, selected by the **Employer**, and **We** are notified by the **Employer**;
- The date the **Employee** requests termination of insurance to be effective for the **Employee** or **Dependents**;
- For a **Dependent**, the date the **Employee's** insurance terminates;
- For a **Dependent**, the date he or she no longer qualifies as a **Dependent**; or
- For any benefit, the date the benefit is deleted from the Policy.

YOU AND THE EMPLOYER ARE RESPONSIBLE TO ADVISE US OF ANY CHANGES IN ELIGIBILITY INCLUDING THE LACK OF ELIGIBILITY OF ANY COVERED PERSON. COVERAGE WILL NOT CONTINUE BEYOND THE LAST DATE OF ELIGIBILITY REGARDLESS OF THE LACK OF NOTICE TO US.

SPECIAL PROVISIONS FOR NOT BEING IN ACTIVE STATUS

If the **Employer** continues to pay required premiums and continues coverage under the Policy, **Your** coverage, other than Short Term Disability benefits, if any, will remain in force for:

- No longer than three consecutive months if the **Employee** is:
 - Temporarily laid-off;
 - In part-time status; or
 - On an **Employer** approved leave of absence.
- No longer than twelve consecutive months if the **Employee** is **Totally Disabled**.

TERMINATION OF COVERAGE (continued)

If the **Employee** becomes **Totally Disabled** and wishes to apply for Waiver of Premium, **We** must receive premium for **Employee** Term Life Insurance Coverage for the six consecutive month period while the **Employee** is covered under the Special Provisions for Not Being in Active Status. All premium must be submitted to **Us** through the **Employer**.

YOUR OPTIONS

Basic Term Life Coverage:

If this coverage terminates, the **Employee** may exercise the rights under the Life Conversion Privilege described in this Certificate. If the **Employee** returns to an **Active Status**, he or she will be considered a new **Employee** and must re-enroll for **Employee** Coverage.

EMPLOYEE TERM LIFE INSURANCE BENEFITS

BENEFIT

The amount of the **Employee** Term Life Insurance benefit is shown on the Schedule of Benefits. Subject to the terms below, a payment in this amount will be made to the beneficiary named by the **Employee**. Payment is made when **We** receive proof the **Employee's** death occurred while insured for this benefit. The **Employee** Group Term Life Insurance has no cash surrender or loan values.

REDUCTION FOR AGE

Reduction percentage(s) and reduction age(s), if any, are shown on the Schedule of Benefits. If the **Employee's** death occurs on or after a reduction age, the amount of payment will be reduced by the corresponding reduction percentage shown. A reduction in benefits due to age is effective on the first day of the calendar month following the date the **Employee** attains that age.

BENEFICIARY

The **Employee** may name any beneficiary he or she chooses. The **Employee** may also change a named beneficiary at any time by notifying **Us** in writing. The change will be effective on the date the **Employee** signs the form. If **We** make a payment before receiving the change form, **We** are released from further liability to the extent of the payment.

If a payment is to be made to two or more beneficiaries, but the **Employee** has not specified the portions payable to each, the payment will be shared equally. If the **Employee** has not named a beneficiary, or if the beneficiary he or she named is not alive at the **Employee's** death, the payment will be made, at **Our** option, to any one or more of the following:

- **Your** spouse;
- **Your** children;
- **Your** parents;
- **Your** brothers and sisters; or
- **Your** estate.

We will rely upon an affidavit to determine benefit payment, unless **We** receive written notice of a valid claim before payment is made. Payment pursuant to the affidavit will release **Us** from further liability.

Any payment made by **Us** in good faith will fully discharge **Us** to the extent of such payment.

Any amount payable to a minor will be paid to the minor's legal guardian.

NOTICE OF DEATH

No payment will be made unless **We** receive written proof of **Your** death. In order to receive benefits, written notice of death must be furnished to **Us** within 12 months after the date of death. If a death claim is filed more than 12 months after the date of death, **We** must have proof that it was not possible for the claim to be filed within 12 months. If a death claim is filed while the Waiver of Premium is in effect, proof of continuous **Total Disability** must accompany the death claim.

EMPLOYEE TERM LIFE INSURANCE BENEFITS (continued)

EMPLOYEE LIFE INSURANCE CONVERSION PRIVILEGE

The **Employee** is entitled to apply for a Conversion Policy of Life Insurance if any portion of his or her Term Life Insurance Benefit terminates due to:

- Termination of employment or membership in a class eligible for Term Life Insurance. The amount the **Employee** is entitled to apply for is the amount of Term Life Insurance that is terminating, LESS the amount of Term Life Insurance for which he or she becomes eligible under any group coverage within 31 days after such termination; or
- Reduction for Age. The amount the **Employee** is entitled to apply for is the amount of insurance lost due to the reduction, but not more than \$10,000.

If the **Employee's** Term Life Insurance benefit terminates because this coverage terminates, or is amended so as to terminate the eligible class to which the **Employee** belongs, and his or her **Employee** Term Life Insurance has been in effect under the Policy for at least three years, the amount the **Employee** is entitled to apply for is the lesser of:

- The amount of **Employee** Term Life Insurance that is terminating, LESS the amount of any Life Insurance for which he or she becomes eligible under any group coverage within 31 days after such termination; or
- \$10,000.

CONVERSION POLICY

The Conversion Policy is issued without evidence of insurability. The **Employee** must apply for and pay the first premium within 31 days of the termination of the **Employee's** coverage under the Group Plan. The Conversion Policy will be effective on the 32nd day following such termination. The Conversion Policy will not include any Short Term Disability or Accidental Death or **Bodily Injury** benefits. It will be issued on any one of the Policy forms, except term insurance, then being issued by **Us** to individuals of the same age. Premiums for the Conversion Policy will be based on **Our** current rate for the form, amount of insurance and the **Employee's** age on the date of issue of the Conversion Policy.

DEATH DURING CONVERSION PERIOD

If the **Employee** dies during the 31 day period that he or she could have applied for a Conversion Policy, the amount of Life Insurance the **Employee** could have converted will be paid as the death benefit, even if the **Employee** had not applied for the Conversion Policy.

WAIVER OF PREMIUM

If the **Employee** becomes **Totally Disabled** while insured for this **Employee** Term Life Insurance Benefit, **We** will continue the **Employee's** Term Life Insurance Benefit during his or her **Total Disability** without the requirement of premium payment subject to the Waiver of Premium provision. In order for **Us** to approve Waiver of Premium, the **Employee** must:

- Become **Totally Disabled** before age 60;
- Remain **Totally Disabled** throughout the 180 consecutive day Elimination Period; Elimination Period means a period of continuous disability which must be satisfied before **You** are eligible to have **Your** life premium waived by **Us**.
- Request an application for Waiver of Premium and submit such application with proof of **Total Disability**, acceptable to **Us**, no later than 12 consecutive months after the **Employee** first became **Totally Disabled**.

Premium payment must continue until **We** approve the application for Wavier of Premium. Failure to do so will result in forfeiture of **Your** rights to Wavier of Premium. Any premium paid from the start of the **Totally Disability** will be returned.

The Wavier of Premium benefit begins at the end of the Elimination Period.

If the **Employee** dies prior to submitting the initial proof of **Total Disability** as required, proof that the **Total Disability** continued until the date of the **Employee's** death must be given to **Us** no later than 12 months following the **Employee's** death.

We will not approve an application for Waiver of Premium if the **Employee** becomes **Totally Disabled** after the **Employer** terminates coverage under the Policy.

EFFECT OF WAIVER OF PREMIUM

When **We** approve Waiver of Premium, no premium payment will be required for the **Employee's** Term Life Insurance benefit during his or her **Total Disability**. Proof of the **Total Disability** must be received by **Us** within one year from the date the **Total Disability** began.

The **Employee** is required to submit proof of continued **Total Disability** to **Us** three months before each anniversary date of the disability. **We** have the right to have the **Employee** examined for the **Total Disability** at any reasonable time during the first two years he or she is **Totally Disabled**. After that, **We** may have the **Employee** examined only once a year.

AMOUNT CONTINUED

The amount of the **Employee** Term Life Insurance benefit which will be continued under this Waiver of Premium is the amount that was in effect for the **Employee** on the date the **Total Disability** began. This amount will be reduced by the same amount, on the same dates, and for the same reasons that it would have been reduced if the **Employee** had not become **Totally Disabled**.

WAIVER OF PREMIUM (continued)

TERMINATION OF WAIVER OF PREMIUM

The Waiver of Premium terminates on the earliest of:

- The date the **Employee** fails or refuses to furnish proof of **Total Disability** as required;
- The date the **Employee** fails or refuses to be examined as required;
- The date the **Employee** is no longer **Totally Disabled**; or
- The **Employee's** 65th birthday.

If the Waiver of Premium benefit terminates and the **Employee** returns to an **Active Status**, he or she will be insured for the **Employee** Term Life Insurance benefit for which he or she is then eligible. Premium payment will be required for the **Employee** Term Life Insurance benefit.

If this Waiver of Premium terminates because the **Employee** is no longer **Totally Disabled** or attains age 65, and does not return to an **Active Status**, he or she may apply for a Conversion Policy of Life Insurance according to the Conversion Privilege provision in this Certificate.

Termination of the **Employer's** participation under the Policy WILL NOT terminate the **Employee's** Waiver of Premium. If the Waiver of Premium terminates after the **Employer's** participation under the Policy terminates, and if the **Employee** Term Life Insurance Benefit has been in force for at least three years, the **Employee** may apply for a Conversion Policy. The amount of any Conversion Policy is limited to the lesser of:

- The amount of **Employee** Term Life Insurance that is terminating LESS the amount of any Life Insurance for which the **Employee** becomes eligible under any group coverage within 31 days after such termination; or
- \$10,000.

ACCIDENTAL DEATH OR BODILY INJURY BENEFIT FOR COVERED EMPLOYEES

Subject to the terms below, a benefit is payable for loss due to the **Employee's** Accidental Death or Accidental **Bodily Injury** if shown on the Schedule of Benefits. The loss must: (a) occur within 180 days after the accident which caused the loss; and (b) be due to an accident which occurs while the **Employee** is insured under the Benefit. If the **Employee** suffers multiple losses in the same accident, **Our** liability will be limited to payment for the one type of loss which provides the greatest benefit. The amount of benefit payable for each type of loss is:

| <u>LOSS OF LIFE OR DISMEMBERMENT BENEFIT</u> | <u>BENEFIT OTHER THAN A COMMON CARRIER ACCIDENT</u> | <u>BENEFIT FOR COMMON CARRIER ACCIDENT</u> |
|---|--|---|
| Loss of Life | Full Amount | 2 Times Full Amount |
| Loss of both hands | Full Amount | 2 Times Full Amount |
| Loss of both feet | Full Amount | 2 Times Full Amount |
| Loss of sight of both eyes | Full Amount | 2 Times Full Amount |
| Loss of one hand and one foot | Full Amount | 2 Times Full Amount |
| Loss of one hand or one foot and sight of one eye | Full Amount | 2 Times Full Amount |

DISCOUNT DISCLOSURE

From time to time, **We** may offer or provide access to discount programs to persons who become insureds. In addition, **We** may arrange for third party service providers such as pharmacies, optometrists, dentists and alternative medicine providers, to provide discounts on goods and services to persons who become insureds. Some of these third party service providers may make payments to **Us** when insureds take advantage of these discount programs. These payments offset the cost to **Us** of making these programs available and may help reduce the costs of **Your** plan administration. Although **We** have arranged for third parties to offer discounts on these goods and services, these discount programs are not insured benefits under this Policy. The third party service providers are solely responsible to insureds for the provision of any such goods and/or services. **We** are not responsible for any such goods and/or services, nor are **We** liable if vendors refuse to honor such discounts. Further, **We** are not liable to insureds for the negligent provision of such goods and/or services by third party service providers. Discount programs may not be available to persons who "opt out" of marketing communications and where otherwise restricted by law.

LIFE INSURANCE WAIVER OF PREMIUM AND SHORT TERM DISABILITY CLAIMS PROCEDURES

CLAIMS PROCEDURES

Definitions

Humana: Humana Insurance Company of Kentucky

Claimant: A covered person (or authorized representative) who files a claim.

Submitting a Claim

This section describes how a Claimant files a claim for plan benefits.

A request for a waiver of Life Insurance premium due to a total disability will be treated as a claim.

A claim must be filed in writing and delivered by mail, postage prepaid, by FAX or e-mail. Claims will be not be deemed submitted for purposes of these procedures unless and until received at the correct address.

Claims submissions must be in a format acceptable to Humana and compliant with any legal requirements. Claims not submitted in accordance with the requirements of applicable federal law respecting privacy of protected health information and/or electronic claims standards will not be accepted by Humana.

Claims submissions must be timely. Claims must be filed as soon as reasonably possible, and in no event later than the period of time described in the benefit plan document.

Claims submissions must be submitted on the claims form provided by Humana and available from your employer. The claim form must be complete.

Authorized Representatives

A covered person may designate an authorized representative to act on his or her behalf in pursuing a benefit claim or appeal. The authorization must be in writing and authorize disclosure of health information. If a document is not sufficient to constitute designation of an authorized representative, as determined by Humana, the plan will not consider a designation to have been made. An assignment of benefits does not constitute designation of an authorized representative.

Covered persons should carefully consider whether to designate an authorized representative. Circumstances may arise under which an authorized representative may make decisions independent of the covered person, such as whether and how to appeal a claim denial.

Claims Decisions

Humana will provide notice of a favorable or adverse determination within a reasonable time but no later than 45 days after the plan receives the claim.

This period may be extended an additional 30 days, if Humana determines the extension is necessary due to matters beyond the plan's control. Before the end of the initial 45-day period, Humana will notify the affected Claimant of the extension, the circumstances requiring the extension and the date by which the plan expects to make a decision.

The review period may be extended for another 30 days, if before the end of the first 30-day extension, the plan determines a second extension is necessary due to matters beyond the plan's control. Before the end of the first 30-day extension, Humana will notify the affected Claimant of the additional extension, the circumstances requiring the extension and the date by which the plan expects to make a decision.

If the reason for the extension is because Humana does not have enough information to decide the claim, the notice of extension will describe the required information, and the Claimant will have at least 45 days from the date the notice is received to provide the specified information. Humana will make a decision on the earlier of the date on which the Claimant responds or the expiration of the time allowed for submission of the requested information.

Initial Denial Notices

Notice of a claim denial (including a partial denial) will be provided to Claimants by mail, postage prepaid, by FAX or by e-mail, as appropriate, within the time frames noted above.

A claims denial notice will convey the specific reason for the adverse determination and the specific plan provisions upon which the determination is based. The notice will also include a description of any additional information necessary to perfect the claim and an explanation of why such information is necessary. The notice will disclose if any internal plan rule, protocol or similar criterion was relied upon to deny the claim. A copy of the rule, protocol or similar criterion will be provided to Claimants, free of charge, upon request.

APPEALS OF ADVERSE DETERMINATIONS

A Claimant must appeal an adverse determination within 180 days after receiving written notice of the denial (or partial denial). An appeal may be made by a Claimant by means of written application to Humana, in person, or by mail, postage prepaid.

Determination of appeals of denied claims will be conducted promptly, will not defer to the initial determination and will not be made by the person who made the initial adverse claim determination or a subordinate of that person.

On appeal, a Claimant may review pertinent documents and may submit issues and comments in writing. A Claimant on appeal may, upon request, discover the identity of medical or vocational experts whose advice was obtained on behalf of the plan in connection with the adverse determination being appealed, as permitted under applicable law.

If the claims denial is based in whole, or in part, upon a medical judgment, the person deciding the appeal will consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment. The consulting health care professional will not be the same person who decided the initial appeal or a subordinate of that person.

Time Periods for Decisions on Appeal

Appeals of claims denials will be decided and notice provided within 45 days after Humana receives the appeal request.

This period may be extended an additional 45 days, if Humana determines the extension is necessary due to matters beyond the plan's control. Before the end of the initial 45-day period, Humana will notify the affected Claimant of the extension, the circumstances requiring the extension and the date by which the plan expects to make a decision.

Appeals Denial Notices

Notice of a claim denial (including a partial denial) will be provided to Claimants by mail, postage prepaid, by FAX or by e-mail, as appropriate, within the time periods noted above.

A notice that a claim appeal has been denied will include:

- The specific reason or reasons for the adverse determination.
- Reference to the specific plan provision upon which the determination is based.
- If any internal plan rule, protocol or similar criterion was relied upon to deny the claim. A copy of the rule, protocol or similar criterion will be provided to the Claimant, free of charge, upon request.
- A statement describing any voluntary appeal procedures offered by the plan and the claimant's right to obtain the information about such procedures, and a statement about the Claimant's right to bring an action under ERISA.

In the event an appealed claim is denied, the Claimant, will be entitled to receive without charge reasonable access to, and copies of, any documents, records or other information that:

- Was relied upon in making the determination.
- Was submitted, considered or generated in the course of making the benefit determination, without regard to whether such document, record or other information was relied upon in making the benefit determination.
- Demonstrates compliance with the administrative processes and safeguards required in making the determination.
- Constitutes a statement of plan policy or guidance with respect to the plan concerning the denied benefit, without regard to whether the statement was relied on in making the benefit determination.

EXHAUSTION OF REMEDIES

Upon completion of the appeals process under this section, a Claimant will have exhausted his or her administrative remedies under the plan. If Humana fails to complete a claim determination or appeal within the time limits set forth above, the claim shall be deemed to have been denied and the Claimant may proceed to the next level in the review process.

After exhaustion of remedies, a Claimant may pursue any other legal remedies available, which may include bringing civil action under ERISA section 502(a) for judicial review of the plan's determination. Additional information may be available from the local U.S. Department of Labor Office.

LEGAL ACTIONS AND LIMITATIONS

No lawsuit may be brought with respect to plan benefits until all remedies under the plan have been exhausted.

No lawsuit with respect to plan benefits may be brought after the expiration of the applicable limitations period stated in the benefit plan document. If no limitation is stated in the benefit plan document, then no such suit may be brought after the expiration of the applicable limitations under applicable law.

YOUR RIGHTS UNDER ERISA

Under the Employee Retirement Income Security Act of 1974 (ERISA), all plan participants covered by ERISA are entitled to certain rights and protections, as described below. Notwithstanding anything in the group health plan or group insurance policy, following are a covered person's minimum rights under ERISA. ERISA requirements do not apply to plans maintained by governmental agencies or churches.

Information about the Plan and Benefits

Plan participants may:

1. Examine, free of charge, all documents governing the plan. These documents are available in the plan administrator's office.
2. Obtain, at a reasonable charge, copies of documents governing the plan, including a copy of any updated summary plan description and a copy of the latest annual report for the plan (Form 5500), if any, by writing to the plan administrator.
3. Obtain, at a reasonable charge, a copy of the latest annual report (Form 5500) for the plan, if any, by writing to the plan administrator.

As a plan participant, you will receive a summary of any material changes made in the plan within 210 days after the end of the plan year in which the changes are made unless the change is a material reduction in covered services or benefits, in which case you will receive a summary of the material reduction within 60 days after the date of its adoption.

If the plan is required to file a summary annual financial report, you will receive a copy from the plan administrator.

Responsibilities of Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the plan. These people, called "fiduciaries" of the plan, have a duty to act prudently and in the interest of plan participants and beneficiaries.

No one, including an employer, may discharge or otherwise discriminate against a plan participant in any way to prevent the participant from obtaining a benefit to which the participant is otherwise entitled under the plan or from exercising ERISA rights.

Claims Determinations

If a claim for a plan benefit is denied or disregarded, in whole or in part, participants have the right to know why this was done, to obtain copies of documents relating to the decision without charge and to appeal any denial within certain time schedules.

Enforce Your Rights

Under ERISA, there are steps participants may take to enforce the above rights. For instance, if a participant requests a copy of plan documents and does not receive them within 30 days, the participant may file suit in a Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$ 110 a day until the participant receives the materials, unless the materials were not sent because of reasons beyond the control of the plan administrator. If a claim for benefits is denied or disregarded, in whole or in part, the participant may file suit in a state or Federal court. In addition, if the participant disagrees with the plan's decision, or lack thereof, concerning the qualified status of a domestic relations order or a medical child support order, the participant may file suit in Federal court. If plan fiduciaries misuse the plan's money, or if participants are discriminated against for asserting their rights, they may seek assistance from the U.S. Department of Labor, or may file suit in a Federal court.

The court will decide who should pay court costs and legal fees. If the participant is successful, the court may order the person sued to pay costs and fees. If the participant loses, the court may order the participant to pay the costs and fees.
