GENERAL PROVISIONS

Capitalized terms are defined in the Certificate or other documents made a part of this Policy.

PREMIUM CHANGES

We reserve the right to change premium rates any time after:

- a) the most recent premium rate guarantee date described in this Policy;
- b) there is an increase or decrease of 10% or more in the Policyholder's Employee population or the number of Employees insured under this Policy;
- c) our liability or cost of administration is changed due to a change in federal, state, or local law, statute or regulation;
- d) this Policy's terms are changed;
- e) coverage is reinstated following the Policyholder's failure to pay premium during the grace period;
- f) a division, subsidiary, associated company, affiliated company or an eligible class is added to or deleted from this Policy;
- g) we decide to non-renew a class of business; or
- h) there is a change which materially affects the risk for insurance provided by this Policy.

We must give the Policyholder at least 90 days advance written notice of any premium rate change.

PAYMENT OF PREMIUMS

The premium for this Policy equals the sum of the individual premiums for each Insured Person as described in the Premium Rider. The first premium is due on the effective date of this Policy. Subsequent premiums are due on the first day of each subsequent month or other modal period agreed to in writing by an authorized representative in our home office. Premium payments must be made to our home office or to a location we designate, using a payment method we accept. We will consider premium to be paid on the date we receive it.

If there is a change in the amount of the premium for insurance for any Insured Person in accordance with the terms of the Policy, or a change in the amount of insurance for any Insured Person as the result of a request of the Policyholder, the Policyholder will provide the Employee with notice of the change at least 15 days prior to the date of the change if the Employee is responsible for the payment of premium for insurance.

GRACE PERIOD

There is a grace period of 31 days for payment of premium. This means that, except for the initial premium, if premium is not paid on or before the date it is due, the premium must be paid in 31-day grace period that follows. We consider premium to be paid on the date we receive it.

Insurance will stay in force during the grace period. If we receive written notice requesting cancellation of insurance on a current or future date, the grace period will not apply. Coverage will end on the cancellation date specified in such notice, as long as the full premium has been paid up to that date.

If premium is not paid by the end of the grace period, insurance will end the day after the last day of the grace period.

TERMINATION

Following at least 60 days advance written notice to the Policyholder, we have the right to terminate this Policy if:

- a) the number of Employees insured is less than 10 or less than 100% of those eligible for insurance;
- b) the Policyholder does not perform one or more of its duties under this Policy;
- c) the Policyholder relocates to a state where this Policy is not marketed;
- d) our liability or cost of administration is changed due to a change in federal, state, or local law, statute or regulation;
- e) there is an increase or decrease of 15% or more in the Policyholder's Employee population or the number of Employees insured under this Policy;

- f) a division, subsidiary, associated company, affiliated company or an eligible class is added to or deleted from this Policy;
- g) we decide to non-renew a class of business; or
- h) there is a change which materially affects the risk for insurance provided by this Policy.

The Policyholder has the right to terminate this Policy at any time. The Policyholder must give us written notice of at least 31 days before the date this Policy is to terminate, unless the Policyholder gives us written notice that this Policy will terminate during the grace period.

This Policy will automatically terminate the day after the last day of the grace period if the Policyholder fails to pay its portion of the premium.

If this Policy terminates for any reason:

- a) all unpaid premiums up to the date of termination are due, including premiums for the grace period or any part of the grace period; and
- b) all unpaid premiums are due no later than the date of termination.

Termination of this Policy will not affect benefits otherwise payable for a claim incurred while this Policy is in force.

REINSTATEMENT AFTER TERMINATION

If this Policy terminates for any reason, the Policyholder may request to reinstate it. We will reinstate only if:

- a) an authorized representative in our home office agrees in writing to reinstate this Policy;
- b) the Policyholder agrees in writing to accept any written conditions of reinstatement that we impose;
- c) all past due premiums are paid, including any premium for the time insurance was in effect during the grace period; and
- d) the premium due from the date of reinstatement until the next premium due date is paid.

CERTIFICATES

We will electronically issue the Policyholder a Certificate form for delivery by the Policyholder to each Insured Person. The Certificate describes the benefits, terms, conditions, exclusions and limitations of the insurance provided under this Policy.

A paper copy of the Certificate is available upon request.

ENTIRE CONTRACT AND CHANGES

The entire contract of insurance consists of this Policy, the Certificate, the Policyholder's signed application, any supplemental applications made part of the Certificate, any riders and any endorsements. A copy of the Policyholder's application shall be attached to the Policy.

Statements in an application are considered representations and not warranties. We will not use any statements in a Policyholder's or Insured Person's application to deny a claim or to contest the validity of this insurance unless we provide the Policyholder or the Insured Person, the Insured Person's beneficiary or the Insured Person's legal representative with a copy of that application.

This insurance contract may be changed any time we and the Policyholder both agree to a change. No one else has the authority to change the insurance contract. No change in this Policy will be effective until approved by our authorized representative in our home office. Such approval must be in writing and attached to and made a part of this Policy.

MISSTATEMENT OF AGE OR GENDER

If an Insured Person's age or gender is misstated, we may adjust the premium or the benefits payable. An adjustment of the benefits payable will be based on what the premium would have purchased at the correct age or gender.

INCONTESTABILITY

We will not contest this Policy after it has been in force two years, except for nonpayment of premium.

We will not use any statements in an Insured Person's application to contest the validity of this insurance after the insurance has been in force, prior to the contest, for a period of two years during an Insured Person's lifetime, unless the statement is contained in an application signed by the Insured Person.

POLICYHOLDER RESPONSIBILITIES

The Policyholder will notify:

- a) list billed classes - both the Insured Person and us when the Insured Person's insurance under this Policy ends if the Insured Person ceases to be eligible for insurance under this Policy;
- b) each Insured Person and us when insurance under this Policy ends if this Policy is terminated and is not replaced by another policy or plan with no interruption in coverage; and
- c) list billed classes - us when the amount of insurance coverage for which an Insured Person is eligible changes.

Notice shall be provided within 31 days from the date insurance ends or, for any list billed classes, the amount of insurance coverage changes for the Insured Person. Notice to the Insured Person shall include information about any options available to continue or obtain insurance.

If we do not receive notice under a) above within this 31 day time period, we may require the Policyholder to reimburse us for the amount of any claims paid on behalf of any ineligible person and/or any dependents of such person during the time the person was ineligible. The Policyholder must reimburse us for claims under this provision within 60 days after receipt of our written request for payment.

The Policyholder is responsible for keeping the following records:

- a) persons insured by classification and any persons eligible but not insured;
- b) the amount of money the Policyholder contributes toward premiums;
- c) beneficiary designation information, if applicable; and
- d) any other information which we may reasonably request.

The Policyholder will provide us with copies of these records upon request. These records must be open to us for inspection at any reasonable time.

The Policyholder will provide, as we require, any information on our forms which is needed for insurance administration. The Policyholder is responsible for enrolling eligible persons for coverage under this Policy and performing other administrative duties agreed to by us. The Policyholder will perform its responsibilities in accordance with the terms of this Policy and our policies and procedures. The Policyholder may delegate some of its responsibilities to a third party.

The Policyholder and any third party utilized by the Policyholder to perform such administrative functions, act on behalf of the Policyholder and do not represent us or act on our behalf. The Policyholder and such third party have no authority to alter or expand our liability under this Policy and have no authority to waive, modify or compromise any defense or right we may have under this Policy.

The Policyholder agrees to indemnify and hold us harmless from and against any and all claims, actions, damages, liability and expenses, including, without limitation, reasonable attorneys' fees, arising from or related to the failure of the Policyholder, or a third party to whom the Policyholder has delegated its responsibilities, to perform its responsibilities in accordance with the terms of this Policy or our policies and procedures.

CLAIMS EXPERIENCE

We will provide a complete record of the Policy's claims experience to the Policyholder upon request. This record will include all claims incurred for the lesser of:

- a) the period of time since the Policy was issued; or
- b) the period of time since the Policy was last renewed, reissued or extended.

This record will be made available at least 30 days prior to the date upon which premiums or contractual terms of the Policy may be amended or changed.

ASSIGNMENT

No assignment of this Policy is binding upon us unless an officer in our home office agrees to it in writing and not until it is recorded with us at our home office.

NOTICE OF PROTECTION PROVIDED BY VIRGINIA LIFE, ACCIDENT AND SICKNESS INSURANCE GUARANTY ASSOCIATION

This notice provides a **brief summary** of the Virginia Life, Accident and Sickness Insurance Guaranty Association (“the Association”) and the protection it provides for policyholders. This safety net was created under Virginia law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that a life, annuity or accident and sickness insurance company (including a health maintenance organization) licensed in the Commonwealth of Virginia becomes financially unable to meet its obligations and is taken over by its Insurance Department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Virginia law, with funding from assessments paid by other life and health insurance companies licensed in the Commonwealth of Virginia.

The basic protections provided by the Association are:

- a) Life Insurance
 - 1. \$300,000 in death benefits
 - 2. \$100,000 in cash surrender or withdrawal values
- b) Health Insurance
 - 1. \$500,000 for health benefit plans
 - 2. \$300,000 in disability income insurance benefits
 - 3. \$300,000 in long-term care insurance benefits
 - 4. \$100,000 in other types of accident and sickness insurance benefits
- c) Annuities
 - 1. \$250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$350,000, except for health benefit plans, for which the limit is increased to \$500,000.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Virginia law.

To learn more about the above protections, please visit the Association’s website at www.valifega.org or contact:

When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between this notice and Virginia law, then Virginia law will control.
