**The Religious Freedom Protection and Civil Union Act**  
**Effective June 1, 2011**

The Religious Freedom Protection and Civil Union Act (“the Act”) creates a legal relationship between two persons of the same or opposite sex who form a civil union. The Act provides that the parties to a civil union are entitled to the same legal obligations, responsibilities, protections and benefits that are afforded or recognized by the laws of Illinois to spouses. The law further provides that a party to a civil union shall be included in any definition or use of the terms “spouse,” “family,” “immediate family,” “dependent,” “next of kin,” and other terms descriptive of spousal relationships as those terms are used throughout Illinois law. This includes the terms “marriage” or “married,” or variations thereon. Insurance policies are required to provide identical benefits and protections to both civil unions and marriages. If policies of insurance provide coverage for children, the children of civil unions must also be provided coverage. The Act also requires recognition of civil unions or same sex civil unions or marriages legally entered into in other jurisdictions.

For more information regarding the Act, refer to 750 ILCS 75/1 *et seq.* Examples of the interaction between the Act and existing law can be found in the Illinois Insurance Facts, Civil Unions and Insurance Benefits document available on the Illinois Department of Insurance’s website at [www.insurance.illinois.gov](http://www.insurance.illinois.gov).

### **Continuity from a Prior Policy: Is there continuity of coverage from a Prior Policy?**

Your initial coverage under The Policy will begin, and will not be deferred if, on the day before the Policy Effective Date, You were insured under the Prior Policy, but on the Policy Effective Date, You were not Actively at Work, and would otherwise meet the Eligibility requirements of The Policy. However, Your Amount of Insurance will be the lesser of the amount of life insurance and accidental death and dismemberment principal sum:

- 1) You had under the Prior Policy; or
- 2) shown in the Schedule of Insurance;

reduced by any coverage amount:

- 1) that is in force, paid or payable under the Prior Policy; or

Such amount of insurance under this provision is subject to any reductions in The Policy and will not increase.

Coverage provided through this provision ends on the first to occur of:

- 1) the last day of a period of 12 consecutive months after the Policy Effective Date;
- 2) the date Your insurance terminates for any reason shown under the Termination provision;

- 3) the last day You would have been covered under the Prior Policy, had the Prior Policy not terminated; or
- 4) the date You are Actively at Work.

However, if the coverage provided through this provision ends because You are Actively at Work, You may be covered as an Active Employee under The Policy.

**Termination:** *When will my coverage end?*

Your coverage will end on the earliest of the following:

- 1) the date The Policy terminates;
- 2) the date You are no longer in a class eligible for coverage, or The Policy no longer insures Your class;
- 3) the date the premium payment is due but not paid;
- 4) the date Your Employer terminates Your employment; or
- 5) the date You are no longer Actively at Work;

unless continued in accordance with any one of the Continuation Provisions.

**Continuation Provisions:** *Can my coverage be continued beyond the date it would otherwise terminate?*

Coverage can be continued by Your Employer beyond a date shown in the Termination provision, if Your Employer provides a plan of continuation which applies to all employees the same way.

The amount of continued coverage will be the amount of coverage in effect on the date immediately before coverage would otherwise have ended. Continued coverage:

- 1) is subject to any reductions in The Policy;
- 2) is subject to payment of premium;
- 3) may be continued up to the maximum time shown in the provisions; and
- 4) terminates if The Policy terminates.

In no event will the amount of insurance increase while coverage is continued in accordance with the following provisions. The Continuation Provisions shown below may not be applied consecutively.

In all other respects, the terms of Your coverage remain unchanged.

**Leave of Absence:** If You are on a documented leave of absence, other than Family and Medical Leave or Military Leave of Absence, Your coverage may be continued for up to 3 month(s) following the date in which the leave of absence commenced. If the leave terminates prior to the agreed upon date, this continuation will cease immediately.

**Military Leave of Absence:** If You enter active full-time military service and are granted a military leave of absence in writing, Your coverage may be continued for up to 12 weeks. If the leave ends prior to the agreed upon date, this continuation will cease immediately.

**Lay Off:** If You are temporarily laid off by the Employer due to lack of work, all of Your coverage may be continued for up to 3 months following the date in which the lay off commenced. If the lay off becomes permanent, this continuation will cease immediately.

**Status Change:** If You are:

- 1) employed by the Policyholder; and
- 2) no longer in an Eligible Class due to a reduction in the number of scheduled hours You work;

Your coverage may be continued until the last day of the third consecutive month after the date Your scheduled hours were reduced.

**Sickness or Injury:** If You are not Actively at Work due to sickness or injury, all of Your coverages may be continued:

- 1) for a period of 12 consecutive month(s) from the date You were last Actively at Work; or
- 2) if such absence results in a leave of absence in accordance with state or federal family and medical leave laws, then the combined continuation period will not exceed 12 consecutive month(s).

**Family and Medical Leave:** If You are granted a leave of absence, in writing, according to the Family and Medical Leave Act of 1993, or other applicable state or local law, Your coverage(s) may be continued for up to 12 weeks, or 26 weeks if You qualify for Family Military Leave, or longer if required by other applicable law, following the date Your leave commenced. If the leave of absence ends prior to the agreed upon date, this continuation will cease immediately.

**Waiver of Premium:** *Does coverage continue if I am Disabled?*

Waiver of Premium is a provision which allows You to continue Your coverage without paying premium, while You are Disabled and qualify for Waiver of Premium.

If You qualify for Waiver of Premium, the amount of continued coverage:

- 1) will be the amount in force on the date You cease to be an Active Employee;
- 2) will be subject to any reductions provided by The Policy; and
- 3) will not increase.

**Eligible Coverages:** *What coverages are eligible under this provision?*

This provision applies only to Your Basic Life Insurance.

**Disabled:** *What does Disabled mean?*

Disabled means You are prevented by injury or sickness from doing any work for which You are, or could become, qualified by:

- 1) education;
- 2) training; or
- 3) experience.

In addition, You will be considered Disabled if You have been diagnosed with a life expectancy of 12 months or less.

**Conditions for Qualification:** *What conditions must I satisfy before I qualify for this provision?*

To qualify for Waiver of Premium You must:

- 1) be covered under The Policy and be under age 60 when you become Disabled;
- 2) be Disabled and provide Proof of Loss that You have been Disabled for 180 consecutive days, starting on the date You were last Actively at Work or provide proof that You have been diagnosed with a life expectancy of 12 months or less; and
- 3) provide such proof within one year of Your last day of work as an Active Employee.

In any event, You must have been Actively at Work under The Policy to qualify for Waiver of Premium.

**Refund of Premium:** *Will premiums be refunded if I am Disabled?*

When You are approved for Waiver of Premium, We will refund to You, or to Your estate if You have died, any premiums paid during the period You have been continuously Disabled.

**When Premiums are Waived:** *When will premiums be waived?*

If We approve Waiver of Premium, We will notify You of the date We will begin to waive premium. We have the right to:

- 1) require Proof of Loss that You are Disabled; and
- 2) have You examined at reasonable intervals during the first 2 years after receiving initial Proof of Loss, but not more than once a year after that.

If You fail to submit any required Proof of Loss or refuse to be examined as required by Us, then Waiver of Premium ceases.

However, if We deny Waiver of Premium, You may be eligible to convert coverage in accordance with the Conversion Right.

If You cease to be Disabled and return to work for a total of 5 days or less during the first 180 days that You are Disabled, the 180 day waiting period will not be interrupted. Except for the 5 days or less that You worked, You must be Disabled by the same condition for the total 180 day period. If You return to work for more than 5 days, You must satisfy a new waiting period.

**Benefit Payable before Approval of Waiver of Premium:** *What if I die before I qualify for Waiver of Premium?*

If You die within one year of Your last day of work as an Active Employee, but before You qualify for Waiver of Premium, We will pay the Amount of Life Insurance which is in force for You provided:

- 1) You were continuously Disabled;
- 2) the Disability lasted or would have lasted 180 days or more; and
- 3) premiums had been paid for coverage.

**Waiver Ceases:** *When will Waiver of Premium cease?*

We will waive premium payments and continue Your coverage, while You remain Disabled, until the date You attain age 65 if Disabled prior to age 60.

*What happens when Waiver of Premium ceases?*

When the Waiver of Premium ceases:

- 1) if You return to work in an Eligible Class, as an Active Employee, then You may again be eligible for coverage as long as premiums are paid when due; or
- 2) if You do not return to work in an Eligible Class, coverage will end and You may be eligible to exercise the Conversion Right if You do so within the time limits described in such provision. The Amount of Life Insurance that may be converted will be subject to the terms and conditions of the Conversion Right.

**Effect of Policy Termination:** *What happens to the Waiver of Premium if The Policy terminates?*

If The Policy terminates before You qualify for Waiver of Premium:

- 1) You may be eligible to exercise the Conversion Right, provided You do so within the time limits described in such provision; and
- 2) You may still be approved for Waiver of Premium if You qualify.

If The Policy terminates after You qualify for Waiver of Premium Your coverage under the terms of this provision will not be affected.

The Seat Belt Benefit is the lesser of:

The Air Bag Benefit is the lesser of:

- 1) an amount resulting from multiplying Your amount of Principal Sum by the Air Bag Benefit Percentage; or

If it cannot be determined that You were wearing a Seat Belt at the time of Accident, a Minimum Benefit will be payable under the Seat Belt Benefit.

**Accident**, for the purpose of this Benefit only, means the unintentional collision of a Motor Vehicle during which You were wearing a Seat Belt.

**Air Bag** means an inflatable supplemental passive restraint system installed by the manufacturer of the Motor Vehicle or its proper replacement parts installed as required by the Motor Vehicle's manufacturer's specifications that inflates upon collision to protect an individual from Injury and death. An Air Bag is not considered a Seat Belt.

**Seat Belt** means an unaltered belt, lap restraint, or lap and shoulder restraint installed by the manufacturer of the Motor Vehicle, or proper replacement parts installed as required by the Motor Vehicle's manufacturer's specifications.

The Seat Belt and Air Bag Benefit will not be payable if You are operating the Motor Vehicle at the time of Injury while:

The specific amounts for this Benefit are shown in the Schedule of Insurance.

**Repatriation Benefit: When is the Repatriation Benefit payable?**

If You sustain an Injury that results in Loss of life payable under the Accidental Death and Dismemberment Benefit, We will pay an additional Repatriation Benefit, if the death occurs outside the territorial limits of the state or country of Your place of permanent residence. We will only pay a benefit if Your body is transported across state lines or country borders.

**Accelerated Benefit: What is the benefit?**

In the event that You are diagnosed as Terminally III while You are:

- 1) covered under The Policy for an Amount of Life Insurance of at least \$10,000; and
- 2) under age 60;

We will pay the Accelerated Benefit in a lump sum amount as shown below, provided We receive proof of such Terminal Illness.

The Accelerated Benefit will not be available to You unless You have been Actively at Work under The Policy.

You must request in writing that a portion of Your Amount of Life Insurance be paid as an Accelerated Benefit.

The Amount of Life Insurance payable upon Your death will be reduced by any Accelerated Benefit Amount paid under this benefit. In addition, Your remaining Amount of Life Insurance will be subject to any reductions in The Policy and will not increase once an Accelerated Benefit has been paid. Any premium required will be based on the amount of Your life insurance remaining after the Accelerated Benefit is paid under this benefit. There will be no effect on the Accidental Death and Dismemberment Benefit Principal Sum after the Accelerated Benefit Amount is paid under this benefit.

You may request a minimum Accelerated Benefit amount of \$3,000, and a maximum of \$500,000. However, in no event will the Accelerated Benefit Amount exceed 80% of Your Amount of Life Insurance. This option may be exercised only once.

For example, if You are covered for a Life Insurance Benefit Amount under The Policy of \$100,000 and are Terminally III, You can request any portion of the Amount of Life Insurance Benefits from \$3,000 to \$80,000 to be paid now instead of to Your beneficiary upon death. However, if You decide to request only \$3,000 now, You cannot request the additional \$77,000 in the future.

A person who submits proof satisfactory to Us of his or her Terminal Illness will also meet the definition of Disabled for Waiver of Premium.

Any benefits received under this benefit may be taxable. You should consult a personal tax advisor for further information.

In the event:

- 1) You are required by law to accelerate benefits to meet the claims of creditors; or
- 2) if a government agency requires You to apply for benefits to qualify for a government benefit or entitlement;

You will still be required to satisfy all the terms and conditions herein in order to receive an Accelerated Benefit.

If You have executed an assignment of rights and interest with respect to Your Amount of Life Insurance, in order to receive the Accelerated Benefit, We must receive a release from the assignee before any benefits are payable.

**Terminal Illness or Terminally III** means a life expectancy of 12 months or less.

**Proof of Terminal Illness and Examinations: Must proof of Terminal Illness be submitted?**

We reserve the right to require satisfactory Proof of Terminal Illness on an ongoing basis. Any diagnosis submitted must be provided by a Physician.

If You do not submit proof of Terminal Illness satisfactory to Us, or if You refuse to be examined by a Physician, as We may require, then We will not pay an Accelerated Benefit.

**Conversion Right: If coverage under The Policy ends, do I have a right to convert?**

If Life Insurance coverage or any portion of it under The Policy ends for any reason, You may have the right to convert the coverage that terminated to an individual conversion policy without providing Evidence of Insurability. Conversion is not available for:

- 1) the Accidental Death and Dismemberment Benefits; or
- 2) any Amount of Life Insurance for which You were not eligible and covered; under The Policy.

If coverage under The Policy ends because:

- 1) The Policy is terminated; or,
- 2) coverage for an Eligible Class is terminated;

then You must have been insured under The Policy for 5 years or more, in order to be eligible to convert coverage. The amount which may be converted under these circumstances is limited to the lesser of:

- 1) \$10,000; or
- 2) the Life Insurance Benefit under The Policy less any Amount of Life Insurance for which You may become eligible under any group life insurance policy issued or reinstated within 31 days of termination of group life coverage.

If coverage under The Policy ends for any other reason, the full amount of coverage which ended may be converted.

**Insurer**, as used in this provision, means Us or another insurance company which has agreed to issue conversion policies according to this Conversion Right.

**Conversion: How do I convert my coverage?**

To convert Your coverage You must:

- 1) complete a Notice of Conversion Right form; and
- 2) have Your Employer sign the form.

The Insurer must receive this within:

- 1) 31 days after Life Insurance terminates; or
- 2) 15 days from the date Your Employer signs the form;

whichever is later. However, We will not accept requests for Conversion if they are received more than 91 days after Life Insurance terminates.

After the Insurer verifies eligibility for coverage, the Insurer will send You a Conversion Policy proposal. You must:

- 1) complete and return the request form in the proposal; and
  - 2) pay the required premium for coverage;
- within the time period specified in the proposal.

Any individual policy issued to You under the Conversion Right:

- 1) will be effective as of the 32nd day after the date coverage ends; and
- 2) will be in lieu of coverage for this amount under The Policy.

**Conversion Policy Provisions: What are the Conversion Policy provisions?**

The Conversion Policy will:

- 1) be issued on any one of the Life Insurance policy forms the Insurer is issuing for this purpose at the time of conversion; and
- 2) base premiums on the Insurer's rates in effect for new applicants of Your class and age at the time of conversion.

The Conversion Policy will not provide:

- 1) the same terms and conditions of coverage as The Policy;
- 2) any benefit other than the Life Insurance Benefit; and
- 3) term insurance.

However, Conversion is not available for any Amount of Life Insurance which was, or is being, continued:

- 1) in accordance with the Waiver of Premium provision; or
- 2) in accordance with the Continuation Provisions;

until such coverage ends.

**Death within the Conversion Period: What if I die before coverage is converted?**

We will pay Your Amount of Life Insurance You would have had the right to apply for under this provision if:

- 1) coverage under The Policy terminates; and
- 2) You die within 31 days of the date coverage terminates; and
- 3) We receive Proof of Loss.

If the Conversion Policy has already taken effect, no Life Insurance Benefit will be payable under The Policy for the amount converted.

**Effect of Waiver of Premium on Conversion:** *What happens to the Conversion Policy if Waiver of Premium is later approved?*

If You apply and are approved for Waiver of Premium after an individual Conversion Policy has been issued, any benefit payable at Your death under The Policy will be paid only if the individual Conversion Policy is surrendered. The Insurer will refund the premium paid for such Conversion Policy.

- 2) Your beneficiary, in the event of Your death.

However, an account will not be established for:

- 1) a benefit payable to Your estate; or
- 2) an amount that is less than \$10,000.

Alternative methods for the payment of group life policy proceeds of \$15,000 or more will be available to beneficiaries in lieu of a lump-sum distribution, at their request.

We will make any payments, other than for loss of life, to You. We may make any such payments owed at Your death to Your estate. If any payment is owed to:

- 1) Your estate;
- 2) a person who is a minor; or
- 3) a person who is not legally competent,

then We may pay up to \$1,000 to a person who is related to You and who, at Our sole discretion, is entitled to it. Any such payment shall fulfill Our responsibility for the amount paid.

**Beneficiary Designation:** *How do I designate or change my beneficiary?*

You may designate or change a beneficiary by doing so in writing on a form satisfactory to Us and filing the form with the Employer. Only satisfactory forms sent to the Employer prior to Your death will be accepted.

Beneficiary designations will become effective as of the date You signed and dated the form, even if You have since died. We will not be liable for any amounts paid before receiving notice of a beneficiary change from the Employer.

In no event may a beneficiary be changed by a power of attorney.

**Claim Denial:** *What notification will my beneficiary or I receive if a claim is denied?*

If a claim for benefits is wholly or partly denied, You or Your beneficiary will be furnished with written notification of the decision. This written notification will:

- 1) give the specific reason(s) for the denial;
- 2) make specific reference to the provisions upon which the denial is based;
- 3) provide a description of any additional information necessary to perfect a claim and an explanation of why it is necessary; and
- 4) provide an explanation of the review procedure.

**Claim Appeal:** *What recourse do my beneficiary or I have if a claim is denied?*

On any claim, the claimant or his or her representative may appeal to Us for a full and fair review. To do so, he or she:

- 1) must request a review upon written application within:
  - a) 180 days of receipt of claim denial if the claim requires Us to make a determination of disability; or
  - b) 60 days of receipt of claim denial if the claim does not require Us to make a determination of disability; and
- 2) may request copies of all documents, records, and other information relevant to the claim; and
- 3) may submit written comments, documents, records and other information relating to the claim.

We will respond in writing with Our final decision on the claim.

**Eligibility Determination:** *How will We determine Your eligibility for benefits?*

We, and not Your Employer or plan administrator, have the responsibility to fairly, thoroughly, objectively and timely investigate, evaluate and determine Your eligibility for benefits for any claim You or Your beneficiaries make on The Policy. We will:

- 1) obtain with Your or Your beneficiaries' cooperation and authorization if required by law, only such information that is necessary to evaluate Your or Your beneficiaries' claim and decide whether to accept or deny Your or Your beneficiaries' claim for benefits. We may obtain this information from Your or Your beneficiaries' Notice of Claim, submitted proofs of loss, statements, or other materials provided by You or others on Your behalf; or, at Our expense We may obtain necessary information, or have You physically examined when and as often as We may reasonably require while the claim is pending. In addition, and at Your or Your beneficiaries' option and at Your or Your beneficiaries' expense, You or Your beneficiaries may provide Us and We will consider any other information, including but not limited to, reports from a Physician or other expert of Your or Your beneficiaries' choice. You or Your beneficiaries should provide Us with all information that You or Your beneficiaries want Us to consider regarding Your or Your beneficiaries' claim;

- 2) consider and interpret The Policy and all information obtained by Us and submitted by You or Your beneficiaries that relates to Your or Your beneficiaries' claim for benefits and make Our determination of Your eligibility for benefits based on that information and in accordance with The Policy and applicable law;
- 3) if We approve Your claim, We will review Our decision to approve Your or Your beneficiaries claim for benefits as often as is reasonably necessary to determine Your continued eligibility for benefits;
- 4) if We deny Your or Your beneficiaries' claim, We will explain in writing to You or Your beneficiaries the basis for an adverse determination in accordance with The Policy as described in the provision entitled **Claim Denial**.

In the event We deny Your or Your beneficiaries' claim for benefits, in whole or in part, You or Your beneficiaries can appeal the decision to Us. If You or Your beneficiaries choose to appeal Our decision, the process You or Your beneficiaries must follow is set forth in The Policy provision entitled **Claim Appeal**. If You or Your beneficiaries do not appeal the decision to Us, then the decision will be Our final decision.

**Incontestability:** *When can the Life Insurance Benefit of The Policy be contested?*

Except for non-payment of premiums, Your Life Insurance Benefit cannot be contested after two years from its effective date.

In the absence of fraud, no statement made by You relating to Your insurability will be used to contest Your insurance for which the statement was made after Your insurance has been in force for two years. In order to be used, the statement must be in writing and signed by You.

All statements made by the Policyholder, the Employer or You under The Policy will be deemed representations and not warranties. No statement made to affect this insurance will be used in any contest unless it is in writing and a copy of it is given to the person who made it, or to his or her beneficiary or Your representative.

**Assignment:** *Are there any rights of assignment?*

Except for the dismemberment benefits under the Accidental Death and Dismemberment Benefit, You have the right to absolutely assign all of Your rights and interest under The Policy including, but not limited to the following:

- 1) the right to make any contributions required to keep the insurance in force;
- 2) the right to convert; and
- 3) the right to name and change a beneficiary.

We will recognize any absolute assignment made by You under The Policy, provided:

- 1) it is duly executed; and
- 2) a copy is acknowledged and on file with Us.

We and the Policyholder assume no responsibility:

- 1) for the validity or effect of any assignment; or
- 2) to provide any assignee with notices which We may be obligated to provide to You.

You do not have the right to collaterally assign Your rights and interest under The Policy.

**Legal Actions:** *When can legal action be taken against Us?*

Legal action cannot be taken against Us more than 10 years after the date Proof of Loss is required to be furnished according to the terms of The Policy.

**Workers' Compensation:** *How does The Policy affect Workers' Compensation coverage?*

The Policy does not replace Workers' Compensation or affect any requirement for Workers' Compensation coverage.

**Insurance Fraud:** *How does the Company deal with fraud?*

Insurance fraud occurs when You, and/or the Employer provide Us with false information or file a claim for benefits that contains any false, incomplete or misleading information with the intent to injure, defraud or deceive Us. It is a crime if You, and/or the Employer commit insurance fraud. We will use all means available to Us to detect, investigate, deter and prosecute those who commit insurance fraud. We will pursue all available legal remedies if You and/or the Employer perpetrate insurance fraud.

**Misstatements:** *What happens if facts are misstated?*

If material facts about You were not stated accurately:

- 1) the premium may be adjusted; and
- 2) the true facts will be used to determine if, and for what amount, coverage should have been in force.

## **STATEMENT OF ERISA RIGHTS**

As a participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA), as amended. ERISA provides that all Plan participants shall be entitled to:

### **1. Receive Information About Your Plan and Benefits**

- a) Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- b) Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary Plan description. The administrator may make a reasonable charge for the copies.
- c) Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

### **2. Prudent Actions by Plan Fiduciaries**

In addition to creating rights for Plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit Plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

### **3. Enforce Your Rights**

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules. Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. If the Plan requires you to complete administrative appeals prior to filing in court, your right to file suit in state or Federal court may be affected if you do not complete the required appeals. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

### **4. Assistance with Your Questions**

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration (formerly known as the Pension and Welfare Benefits Administration), U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

## **CLAIM PROCEDURES**

The Plan has designated and named the Insurance Company as the claims fiduciary for benefits provided under the Policy. The Plan has granted the Insurance Company full discretion and authority to determine eligibility for benefits and to construe and interpret all terms and provisions of the Policy, to the extent permitted by applicable state law.

### **Claim Procedures for Claims Requiring a Determination of Disability**

Claims and appeals for disability benefits will be adjudicated in a manner designed to ensure the independence and impartiality of the persons involved in making the decision. Accordingly, decisions regarding hiring, compensation, termination, promotion or other similar matters with respect to any individual (such as a claims adjudicator or medical or vocational expert) shall not be made based upon the likelihood that the individual will support the denial of benefits.

If the Insurance Company fails to strictly adhere to all the requirements of ERISA with respect to a claim, you are deemed to have exhausted the administrative remedies available under the Plan, with certain exceptions. Accordingly, you are entitled to bring a civil action to pursue any available remedies under section 502(a) of ERISA on the basis that the Insurance Company has failed to provide a reasonable claims procedure that would yield a decision on the merits of the claim. If you choose to bring a civil action to pursue remedies under section 502(a) of ERISA under such circumstances, your claim or appeal is deemed denied on review without the exercise of discretion by an appropriate fiduciary. However, the administrative remedies available under the Plan will not be deemed exhausted based on *de minimis* violations that do not cause, and are not likely to cause, prejudice or harm to you so long as the Insurance Company demonstrates that the violation was for good cause or due to matters beyond the control of the Insurance Company and that the violation occurred in the context of an ongoing, good faith exchange of information between the Insurance Company and you. This exception is not available if the violation is part of a pattern or practice of violations by the Insurance Company. Before filing a civil action, you may request a written explanation of the violation from the Insurance Company, and the Insurance Company must provide such explanation within 10 days, including a specific description of its bases, if any, for asserting that the violation should not cause the administrative remedies available under the Plan to be deemed exhausted. If a court rejects your request for immediate review on the basis that the Insurance Company met the standards for the exception, your claim shall be considered as re-filed on appeal upon the Insurance Company's receipt of the decision of the court. Within a reasonable time after the receipt of the decision, the Insurance Company shall provide you with notice of the resubmission.

#### Claims for Benefits

If you or your authorized representative would like to file a claim for benefits for yourself or your insured dependents, you or your authorized representative should obtain a claim form(s) from your Employer or Plan Administrator. The applicable section of such form(s) must be completed by (1) you, (2) the Employer or Plan Administrator and (3) the attending physician or hospital. Following completion, the claim form(s) must be forwarded to the Insurance Company's claim representative. The Insurance Company will evaluate your claim and determine if benefits are payable.

The Insurance Company will make a decision no more than 45 days after receipt of your properly filed claim. The time for decision may be extended for two additional 30 day periods provided that, prior to any extension period, the Insurance Company notifies you in writing that an extension is necessary due to matters beyond the control of the Insurance Company, identifies those matters and gives the date by which it expects to render its decision. If your claim is extended due to your failure to submit information necessary to decide your claim, the time for decision may be tolled from the date on which the notification of the extension is sent to you until the date the Insurance Company receives your response to our request. If the Insurance Company approves your claim, the decision will contain information sufficient to reasonably inform you of that decision.

Any adverse benefit determination will be in writing and include: 1) the specific reason or reasons for the decision; 2) specific references to the Policy provisions on which the decision is based; 3) a description of any additional material or information necessary for you to perfect the claim and an explanation of why such material or information is necessary; 4) a description of the Insurance Company's review procedures and time limits applicable to such procedures; 5) a statement that you have the right to bring a civil action under section 502(a) of ERISA after you appeal the decision and after you receive a written denial on appeal; 6) a discussion of the decision, including an explanation of the basis for disagreeing with or not following: (a) the views presented by you to the Insurance Company of health care professionals treating you and vocational professionals who evaluated you, (b) the views of medical or vocational experts whose advice was obtained on behalf of the Insurance Company in connection with the adverse benefit determination, without regard to whether the advice was relied upon in making the benefit determination, and (c) a disability determination regarding you presented by you to the Insurance Company made by the Social Security Administration; 7) if the adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the determination, applying the terms of the Plan to your medical circumstances, or a statement that such explanation will be provided free of charge upon request; 8) either the specific internal rules, guidelines, protocols, standards or other similar criteria of the Insurance Company relied upon in making the adverse determination or, alternatively, a statement that such rules, guidelines, protocols, standards or other similar criteria of the Insurance Company do not exist; 9) a statement that you are entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to your claim for benefits; and

10) a statement prominently displayed in any applicable non-English language clearly indicating how to access the language services provided by the Insurance Company.

#### Appealing Denials of Claims for Benefits

On any wholly or partially denied claim, you or your representative must appeal once to the Insurance Company for a full and fair review. You must complete this claim appeal process before you file an action in court, with the exception of an action under the deemed exhausted process described above. Your appeal request must be in writing and be received by the Insurance Company no later than the expiration of 180 days from the date you received your claim denial. As part of your appeal:

1. you may request, free of charge, copies of all documents, records, and other information relevant to your claim; and
2. you may submit written comments, documents, records and other information relating to your claim.

The Insurance Company's review on appeal shall take into account all comments, documents, records and other information submitted by you relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

Before the Insurance Company can issue an adverse benefit determination on review, the Insurance Company shall provide you, free of charge, with any new or additional evidence considered, relied upon, or generated by the Insurance Company (or at the direction of the Insurance Company) in connection with the claim; such evidence must be provided as soon as possible and sufficiently in advance of the date on which the notice of adverse benefit determination on review is required to be provided to give you a reasonable opportunity to respond prior to that date.

Before the Insurance Company can issue an adverse benefit determination on review based on a new or additional rationale, the Insurance Company shall provide you, free of charge, with the rationale; the rationale must be provided as soon as possible and sufficiently in advance of the date on which the notice of adverse benefit determination on review is required to be provided to give you a reasonable opportunity to respond prior to that date.

The Insurance Company will make a final decision no more than 45 days after it receives your timely appeal. The time for final decision may be extended for one additional 45 day period provided that, prior to the extension, the Insurance Company notifies you in writing that an extension is necessary due to special circumstances, identifies those circumstances and gives the date by which it expects to render its decision. If your claim is extended due to your failure to submit information necessary to decide your claim on appeal, the time for decision shall be tolled from the date on which the notification of the extension is sent to you until the date the Insurance Company receives your response to the request. The Insurance Company may also toll the time for a decision to allow you a reasonable opportunity to respond to new or additional evidence or a new or additional rationale. Tolling will begin on the date that the Insurance Company provides you with new or additional evidence or a new or additional rationale, and end when the Insurance Company receives the response or on the date by which the Insurance Company has requested a response, whichever comes first.

The individual reviewing your appeal shall give no deference to the initial benefit decision and shall be an individual who is neither the individual who made the initial benefit decision, nor the subordinate of such individual. The review process provides for the identification of the medical or vocational experts whose advice was obtained in connection with an initial adverse decision, without regard to whether that advice was relied upon in making that decision. When deciding an appeal that is based in whole or part on medical judgment, the Insurance Company will consult with a medical professional having the appropriate training and experience in the field of medicine involved in the medical judgment and who is neither an individual consulted in connection with the initial benefit decision, nor a subordinate of such individual. If the Insurance Company grants your claim appeal, the decision will contain information sufficient to reasonably inform you of that decision.

However, any final adverse benefit determination on review will be in writing and include: 1) the specific reason or reasons for the decision; 2) specific references to the Policy provisions on which the decision is based; 3) a statement that you are entitled to receive, upon request and free of charge, copies of all documents, records, and other information relevant to your claim; 4) a statement (a) that you have the right to bring a civil action under section 502(a) of ERISA, and (b) describing any applicable contractual limitations period that applies to your right to bring such an action, including the calendar date on which the contractual limitations period expires for the claim; 5) a discussion of the decision, including an explanation of the basis for disagreeing with or not following: (a) the views presented by you to the Insurance Company of health care professionals treating you and vocational professionals who evaluated you, (b) the views of medical or vocational experts whose advice was obtained on behalf of the Insurance Company in connection with the adverse benefit determination, without regard to whether the advice was relied upon in making the benefit determination, and (c) a

disability determination regarding you presented by you to the Insurance Company made by the Social Security Administration; 6) if the adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the determination, applying the terms of the Plan to your medical circumstances, or a statement that such explanation will be provided free of charge upon request; 7) either the specific internal rules, guidelines, protocols, standards or other similar criteria of the Insurance Company relied upon in making the adverse determination or, alternatively, a statement that such rules, guidelines, protocols, standards or other similar criteria of the Plan do not exist; 8) a statement prominently displayed in any applicable non-English language clearly indicating how to access the language services provided by the Insurance Company; and 9) any other notice(s), statement(s) or information required by applicable law.

### **Claim Procedures for Claims Not Requiring a Determination of Disability**

Claims and appeals for benefits will be adjudicated in a manner designed to ensure the independence and impartiality of the persons involved in making the decision. Accordingly, decisions regarding hiring, compensation, termination, promotion or other similar matters with respect to any individual (such as a claims adjudicator or medical expert) shall not be made based upon the likelihood that the individual will support the denial of benefits.

#### **Claims for Benefits**

If you or your authorized representative would like to file a claim for benefits for yourself or your insured dependents, you or your authorized representative should obtain a claim form(s) from your Employer or Plan Administrator. The applicable section of such form(s) must be completed by (1) you, (2) the Employer or Plan Administrator and (3) the attending physician or hospital. Following completion, the claim form(s) must be forwarded to the Insurance Company's claim representative. The Insurance Company will evaluate your claim and determine if benefits are payable.

The Insurance Company will make a decision no more than 90 days after receipt of your properly filed claim. However, if the Insurance Company determines that special circumstances require an extension, the time for its decision will be extended for an additional 90 days, provided that, prior to the beginning of the extension period, the Insurance Company notifies you in writing of the special circumstances and gives the date by which it expects to render its decision. If extended, a decision shall be made no more than 180 days after your claim was received. If the Insurance Company approves your claim, the decision will contain information sufficient to reasonably inform you of that decision.

However, any adverse benefit determination will be in writing and include: 1) specific reasons for the decision; 2) specific references to Policy provisions on which the decision is based; 3) a description of any additional material or information necessary for you to perfect the claim and an explanation of why such material or information is necessary; 4) a description of the review procedures and time limits applicable to such, and 5) a statement that you have the right to bring a civil action under section 502(a) of ERISA after you appeal our decision and after you receive a written denial on appeal.

#### **Appealing Denials of Claims for Benefits**

On any wholly or partially denied claim, you or your representative must appeal once to the Insurance Company for a full and fair review. You must complete this claim appeal process before you file an action in court. Your appeal request must be in writing and be received by the Insurance Company no later than the expiration of 60 days from the date you received your claim denial. As part of your appeal:

1. you may request, free of charge, copies of all documents, records, and other information relevant to your claim; and
2. you may submit written comments, documents, records and other information relating to your claim.

The Insurance Company's review on appeal shall take into account all comments, documents, records and other information submitted by you relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

The Insurance Company will make a final decision no more than 60 days after it receives your timely appeal. However, if the Insurance Company determines that special circumstances require an extension, the time for its decision will be extended for an additional 60 days, provided that, prior to the beginning of the extension period, the Insurance Company notifies you in writing of the special circumstances and gives the date by which it expects to render its decision. If extended, a decision shall be made no more than 120 days after your appeal was received. If the Insurance Company grants your claim appeal, the decision will contain information sufficient to reasonably inform you of that decision.

However, any final adverse benefit determination on review will be in writing and include: 1) specific reasons for the decision and specific references to the Policy provisions on which the decision is based, 2) a statement that you are entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to the claim, 3) a statement of your right to bring a civil action under section 502(a) of ERISA, and 4) any other notice(s), statement(s) or information required by applicable law.
